I. CALL TO ORDER

Called to order by Mayor Gib Coerper.

II. AGENDA ITEM

Finance Director Marcian Brown provided the staff report and initiated the discussion on the proposed General Fund budget.

The commissioners discussed general department budgeting as well as franchise fees, fees or taxes affixed to mobile homes, median maintenance on 441, Police Department patrol cars, and school crossing guards.

Finance Director Brown provided a tentative budget calendar for the remainder of the budget process.

Commissioner Gary Hardacre requested the budget workshop materials be transmitted to the commissioners with more time before the workshop meetings.

Commissioner Robert Wilford said the workshop materials need to include a budget narrative.

City Manager Traci Cain reminded him there was a budget narrative with the finished budget and inquired if this was the information the commissioners would like to see in the workshop materials.

Commissioner Wilford and Vice Mayor Ben Boukari, Jr., said they would like to have the breakout on the line item totals in the workshop materials and they would like to have the materials a day or so earlier.
