Anne-Marie,

Please put this with the bid for the chassis the I turned into you before the holiday break. It is a warranty that is a good idea for it.

Thanks so much,

Derek, thank you for meeting with me today. As we discussed, the PPI Cummins engine and Aftertreatment extended warranty for 5 years, 100,000 miles is \$2,550.00. If you have any questions, please just give me a call, text or email.
Merry Christmas and Happy New Year!
