Certain legislative history of the City Contract for the Residential Collection and Disposal of Refuse, Yard Trash and Recyclable Materials was, as a part of the City of Alachua September 27, 2010 codification of its Code Of Ordinances, included in Division 1 of Appendix A - Franchises and the original Contract effective December 30, 2008 was included in its entirety as Division 2. The contract is, by definition, an exclusive contract, and not a franchise, for the Residential Collection and Disposal of Refuse, Yard Trash and Recyclable Materials. The Contract has been amended three times to include two extensions. Contract fees for service have been paid since the inception of the agreement and no franchise fees have been paid. Included in the amendments set forth in this Ordinance 16-17 is an amendment to Sec. 30-33 of the City Code wherein the City Commission states, confirms and reaffirms its election to provide for the collection and disposal of all residential refuse, yard trash, and recyclable materials by exclusive contract as set forth in Sec. 30-33 (a). ARTICLE. III – COMMERCIAL SOLID WASTE

Sec. 2. General Provisions

The term of any franchise granted on or after October 1, 2016 shall be from the date granted for a term consistent with the end of term plus extensions as described herein.
