A determination that there is adequate school capacity for a specific project will satisfy requirements for review for school concurrency for the periods of time consistent with the Interlocal Agreement and specified in local government land development regulations; an agreement by the School Board with the developer and local government is required to extend the period for approvals for phased projects beyond the generally applicable time period

EXPLANATION OF STUDENT GENERATION CALCULATION

Student Generation is calculated based on the type of residential development and the type of schools. The number of student stations (by school type - Elementary, Middle and High School) used for calculating the school concurrency impacts is equal to the number of dwelling units by housing type multiplied by the student generation multiplier (for housing type & school type) established by the School Board. Calculations are rounded to the nearest whole number. Student Generation for each school type is calculated individually to assess the impact on the **School Concurrency Service Area (SCSA)** for each school type (Elementary, Middle and High School).

SCHOOL CONCURRENCY SERVICE AREAS (SCSA) FOR PROJECT LOCATION

Based on the project location, please identify the corresponding School Concurrency Service Areas for each school type. Maps of the SCSAs may be viewed on the Alachua County Public Schools website.

RE: Briarwood Phases 2A, 2B and 3

This application is for the 145 lots in Phases 2 and 3 of the 229-lot single-family detached subdivision on ±74.17 acres of Alachua County Tax Parcels 03044-011-001, 03044-011-002, 03044-011-003 and 03044-010-003. The site is located north of the US Highway 441 on CR 235-A. The onsite Future Land Use (FLU) category is Moderate Density Residential and the Zoning District classification is Residential Single Family 4(RSF-4), which allows up to four (4) dwelling units per acre. The Benton Hills preliminary plat was previously approved for 210 lots in 2016 for the subject parcel. The site is proposed to be developed in 4 phases.

The following analysis estimates the potential impacts on City of Alachua's public facilities from the proposed Phase 2 and 3 development of 145 single family homes. The 84 single family lots in Phase 1 are platted and constructed.

ROADWAYS / TRANSPORTATION

Land Use1	Units	Daily		AM Peak		PM Peak	
(ITE)		Rate	Trips	Rate	Trips	Rate	Trips
Proposed							
Single-Family Detached Housing (ITE 210)	145	9.44	1369	0.74	107	0.99	144

DATA SOURCE IS FROM THE ITE TRIP GENERATION 10TH EDITION

Approval of this application may generate **1369 average daily vehicle trips**. The proposed development *is not anticipated to negatively* impact the adopted LOS for adjacent and nearby roadways, as demonstrated in the tables below.

Per City LDR §2.4.14(H)(2), affected roadways are those within one-half mile of the subject property for developments generating 1,000 external average daily trips (ADT). The only affected roadways are CR 235-A, which the project site is directly fronting and US Hwy 441, which is the nearest major intersection. This development is not anticipated to contribute more than 5% to any other roadway's maximum service volume within the City of Alachua. The data above demonstrates that each affected roadway segment will have sufficient capacity to serve the project and the roadway segments will continue to operate within the allowable LOS.

COMPREHENSIVE PLAN CONSISTENCY MEMO

RE: Briarwood Phases 1A, 1B, 2 and 3

This application is for a 229-lot single-family detached subdivision on ± 74.17 acres of Alachua County Tax Parcels 03044-011-001, 03044-011-002, 03044-011-003 and 03044-010-003. The site is located north of the US Highway 441 on CR 235-A. The onsite Future Land Use (FLU) category is Moderate Density Residential and the Zoning District classification is Residential Single Family 4(RSF-4), which allows up to four (4) dwelling units per acre. The Benton Hills preliminary plat was previously approved for 210 lots in 2016 for the subject parcel. The site is proposed to be developed in 4 phases. The developer's future development plans will consist of providing medium density residential and town center commercial components to be constructed in 3 additional phases on the properties to the south.

The following narrative explains the project's conformance and consistency to specific City of Alachua Comprehensive Plan Goals, Objectives, and Policies for this application. Conformance and consistency statements are provided in **bold**.

FUTURE LAND USE ELEMENT

Policy 1.2.a: Moderate density residential (0 to 4 dwelling units per acre): The moderate density residential land use category allows residential development at a maximum density of 4 dwelling units per acre. The following uses are allowed in the moderate density residential land use category:

1. Single family, conventional dwelling units;
2. Accessory dwelling units;
3. Manufactured or modular homes meeting certain design criteria;
4. Mobile homes only within mobile home parks;
5. Duplexes and quadplexes;
6. Townhomes;
7. Residential Planned Developments (PD-R);
8. Supporting community services, such as schools, houses of worship, parks, and community centers

The proposed subdivision has Moderate Density Residential FLU classification. This application seeks to permit 229 single-family dwelling units. The proposed 229 units over 74.17 acres yields 3.1 units per acre which is less than the allowable 4 units per acre.

Policy 2.4.b: Landscaping: Buffering – A buffer consists of horizontal space (land) and vertical elements (plants, berms, fences, walls) that physically separate and visually screen adjacent land uses. The City shall establish buffer yard requirements that are based on the compatibility of the adjacent uses and the desired result of the buffer.

Since the adjacent zonings are either residential or agricultural, landscape buffers are not required per Section 6.2.2(D)(3)(c). The developer is proposing to provide a perimeter landscape and stormwater tract along the north property line, adjacent to CR 235-A and along southern and eastern boundary. The landscape buffer area is adjacent to the property line with a planted, cascading, dry retention stormwater management system located internally in the tract. The western boundary and the far southern boundary are buffered with a stormwater tract with a cascading, dry retention stormwater management system that will be landscaped.

Policy 2.5.a: There shall be a minimum of 10% percent open space required. The City shall establish incentives for the provision of open space beyond minimum requirements.

The proposed development exceeds the 10% minimum open space requirement. Onsite open spaces are comprised of stormwater management facilities, landscaping, buffers, and a park.

Policy 2.5.b: Open space shall not be limited to unusable portions of project sites. A portion of open space shall be usable and functional.

The proposed development combines the onsite stormwater management facilities with a trail system which is enhanced with landscaping and a park.

GOAL 5: Development Standards: The City shall include provisions through its comprehensive plan amendment process, development review process and in its land development regulations for development standards that address natural features and availability of facilities and services. These development standards will strive to protect natural resources and public facility resources while allowing for innovative and flexible development patterns.

This application is consistent with the Comprehensive Plan and the RSF-4 development standards in the City of Alachua Land Development Code. The project was designed to maximize onsite natural features by utilizing the natural topography of the site.

Objective 5.1: Natural features: The City shall coordinate Future Land Use designations with appropriate topography, soils, areas of seasonal flooding, wetlands and habitat during review of proposed amendments to the Future Land Use Map and the development review process. Natural features may be included as amenities within a development project.

There are no onsite wetlands or flood prone areas onsite.

1982 State Road 44 ■ Suite 360 ■ New Smyrna Beach, FL 32168 ■ 407.325.5579

Policy 5.1.a: Topography: The City shall protect the natural topography of the City, including steep and seepage slopes, by requiring new development to include techniques to minimize negative impacts on the natural terrain. An emphasis will be placed on retaining the natural function of seepage slopes during development. Additionally, retention of existing native vegetation will be encouraged as one method of protecting slopes.

There are no steep slopes onsite.

Policy 5.1.b: Soils: The City shall ensure soil protection and intervention measures are included in the development review process.

There are eight soil types located onsite:

- 3—Arredondo fine sand, 0 to 5 percent slopes (HSG: A)**
- 5—Fort Meade fine sand, 0 to 5 percent slopes (HSG: A)**
- 8—Millhopper sand, 0 to 5 percent slopes (HSG: A)**
- 29—Lochloosa fine sand, 2 to 5 percent slopes (HSG: B)**
- 30—Kendrick sand, 2 to 5 percent slopes (HSG: B)**
- 33—Norfolk loamy fine sand, 2 to 5 percent slopes (HSG: B)**
- 69—Arredondo fine sand, 5 to 8 percent slopes (HSG: A)**
- 72—Lochloosa fine sand, 5 to 8 percent slopes (HSG: B)**

According to the NRCS soil database, each of the eight sandy soil types mentioned above are conducive to residential developments with minimal limitations. Site design will address these limitations with an improved stormwater management system.

Policy 5.1.c: Flood prone areas: The City shall require as part of the development review process the identification of FEMA flood zone areas. Where necessary, base flood elevations and minimum finished floor elevations shall be established. The City shall also require finished floor elevations on subdivision plats, site plans and building permit plans when necessary to determine compliance with flood prone area regulations. The City shall establish standards for a limitation on filling in flood prone areas.

There are no FEMA flood prone areas onsite.

Policy 5.1.d: Wetlands: The City shall utilize statewide wetland delineation methodology in accordance with Florida Administrative Code (FAC) and regulations adopted by the FDEP and the Suwannee River Water Management District.

There are no wetlands located onsite. A “Protected Species and Wetland Assessment” of the site was performed by Universal Engineering Sciences on June 3rd, 2019 and determined that there are no endangered species on site.

Policy 5.1.e: Habitat: The City shall require as part of the development review process, an inventory of listed species for all new developments in areas identified as known habitat for listed species if listed species are known to exist in close proximity to the development. The survey shall include detailed information regarding type, quantity, location, and habitat requirements for any listed species identified. A de minimus threshold for properties required to complete the inventory shall be established in the City’s Land Development Regulations.

The site is not known to have listed species.

Objective 5.2: Availability of facilities and services: The City shall utilize a concurrency management system to ensure that the adopted level of service standards are maintained.

The Concurrency Impact Analysis report estimates the impacts that development of the subdivision will have on available public facilities and services. There are no anticipated impacts to facilities and/or services and are anticipated to operate below the adopted capacity.

Policy 5.2.a: All new development shall meet level of service requirements for roadways, potable water and sanitary sewer, stormwater, solid waste, public schools, and improved recreation in accordance with LOS standards adopted in the elements addressing these facilities.

Public facilities shall continue to operate at or below established LOS standards with the development of the project.

Policy 9.2: Any new residential subdivision within the corporate limits, where potable water service is available, as defined in Policy 4.2.a of the Community Facilities and Natural Groundwater Aquifer Recharge Element of the City of Alachua Comprehensive Plan, regardless of size, that is within either a Residential or Agriculture Future Land Use Map Designation shall connect to the City of Alachua’s potable water system. Any new residential subdivision within the corporate limits, where wastewater service is available, as defined in Policy 1.2.a of the Community Facilities and Natural Groundwater Aquifer Recharge Element of the City of Alachua Comprehensive Plan, regardless of size, that is within a Residential Future Land Use Map Designation shall connect to the City of Alachua’s wastewater system.

The proposed subdivision will connect to the City's potable drinking water system and sanitary sewer collection system.

TRANSPORTATION ELEMENT

Policy 1.2.b: The City shall establish the following access point requirements for City streets:

1. permitting 1 access point for ingress and egress purposes to a single property or development;
2. permitting 2 access points for ingress and egress to a single property or development if the minimum distance between the two access points exceeds 20 feet for a single residential lot or 100 feet for nonresidential development and new residential subdivisions;
3. permitting 3 access points for ingress and egress to a single property or development if the minimum distance between each access point is at least 100 feet for residential and non-residential development; or
4. permitting more than 3 access points for ingress and egress to a single property or development where a minimum distance of 1000 feet is maintained between each access point.

The site's proposed ingress/egress on CR 235-A is located at the previously approved access location. One additional ingress/egress on CR 235-A, approximately 700 feet to the north will operate as an emergency access. Two internal roads are designed for future expansion to the south and to the west of the subject site.

CONSERVATION AND OPEN SPACE ELEMENT

Objective 1.5:

Soils. The City shall protect soil resources through erosion and sedimentation control, by requiring proper design criteria on specific soils.

There are eight soil types located onsite:

- 3—Arredondo fine sand, 0 to 5 percent slopes (HSG: A)**
- 5—Fort Meade fine sand, 0 to 5 percent slopes (HSG: A)**
- 8—Millhopper sand, 0 to 5 percent slopes (HSG: A)**
- 29—Lochloosa fine sand, 2 to 5 percent slopes (HSG: B)**
- 30—Kendrick sand, 2 to 5 percent slopes (HSG: B)**
- 33—Norfolk loamy fine sand, 2 to 5 percent slopes (HSG: B)**
- 69—Arredondo fine sand, 5 to 8 percent slopes (HSG: A)**
- 72—Lochloosa fine sand, 5 to 8 percent slopes (HSG: B)**

According to the NRCS soil database, each of the eight sandy soil types mentioned above are conducive to residential developments with minimal limitations. Site design will address these limitations with an improved stormwater management system.

Objective 1.10: Wetlands. The City shall protect and preserve wetland values and functions from adverse, human caused, physical and hydrologic disturbances.

The ±74.17-acre subject property does not contain onsite wetland features, as evidenced by the “Protected Species and Wetland Assessment” performed by Universal Engineering Sciences on June 3rd, 2019.

COMMUNITY FACILITIES AND NATURAL GROUNDWATER AQUIFER RECHARGE ELEMENT

GOAL 3:

Stormwater. Develop and maintain a stormwater management system that minimizes flooding, protects, preserves and enhances desirable water quality conditions, and, where possible, preserves and utilizes existing natural features.

The stormwater management system will be designed to maximize distribution of surface water runoff and utilize cascading dry retention systems to maximize aquifer recharge. Existing low areas are reserved for stormwater management applications to minimize onsite grading and preserve predevelopment hydrology patterns.

Objective 3.3:

The City shall implement design guidelines for stormwater management facilities to promote dual use, protect natural features, and provide aesthetically pleasing facilities. Policy 3.3.a: Stormwater facility design shall incorporate the following features, where practicable:

1. Joint use of retention and detention basins for passive recreation, habitat and open space.
2. Use of vegetation, such as cypress and river birch, in retention and detention basin to enhance stormwater management objectives.
3. On-site retention and detention facilities shall be integrated with other elements of the proposed development through aesthetically sensitive design and the use of landscaping.
4. Maintain and enhance the existing hydrological and ecological function of stream or drainage corridors or wetland areas which serve stormwater facilities.
5. Where retention and detention basins are located along County roads or State roads, the basin design shall comply with the Gainesville Urbanized Area Metropolitan Transportation Planning Organization’s drainage retention basin landscaping standards.

The proposed subdivision utilizes open space tracts for a “storm trail system” which will interconnect the onsite green spaces. The trail system will be designed in concert with the stormwater management system and onsite pocket parks. The stormwater management facilities will be landscaped to provide a more aesthetic park environment.

Re: Wildlife Survey Report

Dear Mr. Rouhier:

During April of 2022, Bio-Tech Consulting Inc. (BTC) conducted a wildlife survey of the Briarwood Phases 2-3 project site. The ±44.98-acre project site is located north of Highway 441; south of NW 175th Avenue; east of NW 188th Street; and west of NW 173rd Street, within Section 08, Township 08 South, Range 18 East, Alachua County, Florida (Figures 1, 2 & 3). This wildlife assessment included an on-site evaluation to determine the occurrence of protected species of flora and fauna through direct and indirect observations in accordance with U.S. Fish and Wildlife Service (USFWS) and Florida Fish and Wildlife (FFWCC) agencies.

PROTECTED SPECIES

Using methodologies outlined in the Florida's Fragile Wildlife (Wood, 2001); Measuring and Monitoring Biological Diversity Standard Methods for Mammals (Wilson, et al., 1996); and Florida Fish and Wildlife Conservation Commission's (FFWCC's) Gopher Tortoise Permitting Guidelines (April 2008 - revised July 2020), an assessment for "listed" floral and faunal species was conducted at the site on April 1, 2022. **(Figure 5).**

The survey covered approximately 100% of the subject site's developable area, included both direct observations and indirect evidence, such as tracks, burrows, tree markings and vocalizations that indicated the presence of species observed. The assessment focused on species that are "listed" by the FFWCC's Official Lists - Florida's Endangered Species, Threatened Species and Species of Special Concern (December 2018) that have the potential to occur in Seminole County (Table 1).

No plant species listed by either The Florida Department of Agriculture (FDA) or U.S. Fish and Wildlife Service (USFWS) was identified on the project site during the assessment conducted. The following is a list of those wildlife species identified during the evaluation of the site:

Reptiles and Amphibians

brown anole (*Norops sagrei*)

gopher tortoise (*Gopherus polyphemus*)

Birds

American Crow (*Corvus brachyrhynchos*)

Carolina Wren (*Thryothorus ludvicianus*)

Mourning Dove (*Zenaida macroura*)

Northern Cardinal (*Cardinalis cardinalis*)

Northern Mockingbird (*Mimus polyglottos*)

Red-shouldered Hawk (*Buteo lineaus*)

Turkey Vulture (*Cathartes aura*)

Mammals

Eastern cottontail (*Sylvilagus floridanus*)

gray squirrel (*Sciurus carolinensis*)

nine-banded armadillo (*Dasypus novemcinctus*)

raccoon (*Procyon lotor*)

One (1) of the above identified species is identified in the FFWCC's Official Lists - Florida's Endangered Species, Threatened Species and Species of Special Concern (June 2021). This species is the gopher tortoise (*Gopherus polyphemus*). The gopher tortoise is currently listed as "Threatened" by the State. The following provides a brief description of particular wildlife species as they relate to the development of the site.

Gopher Tortoise (*Gopherus polyphemus*)

State Listed as “Threatened” by FFWCC

Currently the gopher tortoise (*Gopherus polyphemus*) is classified as a “Category 2 Candidate Species” by USFWS, and as of September 2007 is now classified as “Threatened” by FFWCC. The basis of the “Threatened” classification by the FFWCC for the gopher tortoise is due to habitat loss and destruction of burrows. Gopher tortoises are commonly found in areas with well-drained soils associated with the pine flatwoods, pastures and abandoned orange groves. Several other protected species have a possibility of occurring in this area, as they are gopher tortoise commensal species. However, none of these commensal species were observed during the survey conducted.

The site was surveyed for the existence of gopher tortoises through the use of pedestrian transects (Figure 4). The survey covered 100% of the suitable habitat present within the site’s boundaries. Four (4) potentially occupied gopher tortoise burrows were observed and recorded using GPS technology. Based on four (4) potentially occupied burrows, it is estimated that approximately four (4) may be occupied by a tortoise. For small populations, we have experienced over time that occupancy rates are close to 100%. Therefore, for the purpose of estimating costs associated with the subject project, as many as four (4) gopher tortoises are estimated to occupy these burrows.

The FFWCC provides three (3) options for developers that have gopher tortoises on their property. These options include: 1) avoidance (i.e., 25-foot buffer around burrow), 2) preservation of habitat, and 3) off-site relocation. As such, resolution of the gopher tortoise issue will need to be permitted through FFWCC prior to any construction activities.

Indigo Snake (*Drymarchon couperi*)

Federally Listed as “Threatened” by USFWS

The indigo snake (*Drymarchon couperi*) is a federally threatened species. The basis for this listing was a result of dramatic population declines caused by over-collecting for the domestic and international pet trade as well as mortalities caused by rattlesnake collectors who gassed gopher tortoise burrows to collect snakes. Since its listing, habitat loss and fragmentation by residential and commercial expansion have become much more significant threats to the eastern indigo snake. This species is widely distributed throughout central and south Florida and primarily occurs in sandhill habitat in northern Florida and southern Georgia.

Due to the presence of gopher tortoises, a formal indigo snake survey may be required if requested by USFWS during the permitting process for the site. The survey can be accomplished from October 1st - April 30th for a minimum of five (5) surveys with two (2) days of optimal weather (overnight low temperature above 60° F).

Typically, USFWS requires indigo snake surveys on sites with more twenty-five (25) gopher tortoise burrows. Due to the very small gopher tortoise population on the site, a formal indigo snake survey is not likely to be required.

However, if required, the survey can be accomplished from October 1st thru April 30 for a minimum of five (5) surveys with 2 days of optimal weather (overnight low temperature above 60° F). At a minimum, the Corps permit – if applicable - will be conditioned for the use of the USFWS’s “Standard Protection Measures for the Eastern Indigo Snake.” It will also be conditioned “such that all gopher tortoise burrows, active or inactive, will be excavated prior to site manipulation in the vicinity of the burrow. If an eastern indigo snake is encountered, the snake must be allowed to vacate the area prior to additional site manipulation in the vicinity.” Any permit will also be conditioned “such that holes, cavities, and snake refugia other than gopher tortoise burrows will be inspected each morning before planned site manipulation of a particular area, and, if occupied by an eastern indigo snake, no work will commence until the snake has vacated the vicinity of proposed work.” As long as the above mentioned “Standard Protection Measures” are adhered to, the development activities associated with the subject site would result in a key determination of “may affect, but not likely to adversely affect” (NLAA) the eastern indigo snake. It should also be noted that Indigo snake mitigation may be purchased in lieu of conducting the indigo snake survey.

Bald Eagle (*Haliaeetus leucocephalus*)

State protected by F.A.C. 68A-16.002 and federally protected by both the Migratory Bird Treaty Act (1918) and the Bald and Golden Eagle Protection Act (1940)

In August of 2007, the US Fish and Wildlife Service (USFWS) removed the Bald Eagle from the list of federally endangered and threatened species. Additionally, the Bald Eagle was removed from FFWCC’s imperiled species list in April of 2008. Although the Bald Eagle is no longer protected under the Endangered Species Act, it is still protected under the Bald and Golden Eagle Protection Act, the Migratory Bird Treaty Act, and FFWCC’s Bald Eagle rule (Florida Administrative Code 68A-16.002 Bald Eagle (*Haliaeetus leucocephalus*)).

In May of 2007, the USFWS issued the National Bald Eagle Management Guidelines. In April of 2008, the FFWCC adopted a new Bald Eagle Management Plan that was written to closely follow the federal guidelines. In November of 2017, the FFWCC issued “A Species Action Plan for the Bald Eagle” in response to the sunset of the 2008 Bald Eagle Management Plan. Under the USFWS’s management plans, buffer zones are recommended based on the nature and magnitude of the project or activity. The recommended protective buffer zone is 660 feet or less from the nest tree, depending on what activities or structures are already near the nest. As provided within the above referenced Species Action Plan, the USFWS is the regulating body responsible for issuing permits for Bald Eagles. In 2017, the need to obtain a State permit (FFWCC) for the take

of Bald Eagles or their nests in Florida was eliminated following revisions to Rule 68A-16.002, F.A.C. A USFWS Bald Eagle “Non-Purposeful Take Permit” is not needed for any activity occurring outside of the 660-foot buffer zone. No activities are permitted within 330 feet of a nest without a USFWS permit.

In addition to the on-site evaluation for listed species, BTC conducted a desktop review of FFWCC’s database and Audubon’s EagleWatch program database for recorded Bald Eagle nests within the surrounding 660 feet of the subject site. This review revealed that there are no Bald Eagle nests (through the 2016-2017 nesting season for FFWCC data and 2020-2021 nesting season for Audubon EagleWatch data) within 660 feet of the project site boundaries (**Figure 6**). Thus, no developmental constraints are expected with respect to Bald Eagle nests.

USFWS CONSULTATION AREAS

The USFWS have established “Consultation Areas” for certain listed species (see Figure 3). Generally, these consultation areas only become an issue if USFWS consultation is required, which is usually associated with permitting through the Army Corps of Engineers. The reader should be aware that species presence and need for additional review are often determined to be unnecessary early in the permit review process due to lack of appropriate habitat or other conditions. However, the USFWS makes the final determination.

Consultation areas are typically very regional in size, often spanning multiple counties where the species in question is known to exist. Consultation areas by themselves do not indicate the presence of a listed species. They only indicate an area where there is a potential for a listed species to occur and that additional review might be necessary to confirm or rule-out the presence of the species. The additional review typically includes the application of species-specific criteria to rule-out or confirm the presence of the species in question. Such criteria might consist of a simple review for critical habitat types. In other cases, the review might include the need for species-specific surveys using established methodologies that have been approved by the USFWS.

Following BTCs desktop review for USFWS Consultation Areas that may impact the site, it was found that the Briarwood Phases 2 & 3 property does not fall within any consultation areas.

The environmental limitations described in this document are based on observations and technical information available on the date of the on-site evaluation. This report is for general planning purposes only. The limits of any on-site wetlands/surface waters can only be determined and verified through field delineation and/or on-site review by the pertinent regulatory agencies. The wildlife surveys conducted within the subject property boundaries do not preclude the potential for any listed species, as noted in the attached Table 1, currently or in the future. Should you have any questions or require any additional information, please do not hesitate to contact our office at (407) 894-5969. Thank you.

PROPERTY SUBJECT TO THIS DECLARATION

Section 1. Legal Description. The real property which is and shall be held, transferred, sold, conveyed and occupied subject to this Declaration is located in the County, and is the property described in **Exhibit “A”**, and such additions as may hereafter be brought within the jurisdiction of the Association and subject to the terms of this Declaration, less the portions thereof dedicated and/or conveyed to other entities or subsequently withdrawn herefrom.

Section 2. Application of Declaration. The Property shall be held, transferred, sold, conveyed and occupied subject to the terms and conditions of this Declaration, and any and all supplements and lawful amendments hereto and any and all supplements and lawful amendments thereto. By receipt of delivery of a deed to any of the Property or other instrument evidencing ownership, whether or not it shall be so expressed in any such deed or other conveyance or adjudication, each Owner hereby agrees to abide by and accept title to such portion of the Property and all terms and provisions of this Declaration. The filing of this Declaration and subjecting the Property to the covenants, conditions, restrictions, reservations, easements, liens and charges contained herein shall not be construed in any way as inhibiting or prohibiting the Declarant from conveying the Lots or improvements within the Property to third parties free and clear of any covenants, conditions, restrictions, reservations, easements, liens and charges, except for those specifically provided for in this Declaration. Lots so conveyed by the Declarant to third parties shall be used and held by said third parties in accordance with this Declaration.

Section 3. Additional Property. Additional property may become subject to this Declaration or be withdrawn from the terms of this Declaration in the following manner:

(a) Annexation Without Approval of Class "A" Membership. As the owner thereof, or if not the owner, with the consent of the owner thereof, Declarant shall have the unilateral right, privilege and option, from time to time at any time to annex and subject to the provisions of this Declaration and the jurisdiction of the Association, all or any portion of the real property described in a Supplemental Declaration. Such Supplemental Declaration shall not require the consent of the Members or Institutional Mortgagees. Any such annexation shall be effective upon the filing of record of such Supplemental Declaration unless otherwise provided therein. Declarant shall have the unilateral right to transfer to any other person said right, privilege, and option to annex additional property which is herein reserved to Declarant, provided that such transfer or assignment is memorialized in a written, recorded instrument executed by Declarant. Notwithstanding the foregoing, nothing herein shall be construed as an obligation of Declarant to annex in additional Property to the Community or to construct the Community pursuant to the plan of development approved on the date of this Declaration, which may be modified by the Declarant in the future.

(b) Annexation With Approval of Class "A" Membership. Subject to the consent of the owner thereof, after the expiration of the Class B membership the Association may annex additional real property to the provisions of this Declaration and the jurisdiction of the Association. Such annexation shall require the affirmative vote of not less than sixty-seven (67%) percent of the Class "A" Members of the Association. Annexation shall be accomplished by filing of record in the public records of the County, a Supplemental Declaration describing the property being annexed. Any such Supplemental Declaration shall be signed by an authorized officer of the Association, and by the owner of the property being annexed, and any such annexation shall be effective upon filing unless otherwise provided therein. The relevant provisions of the Bylaws dealing with regular or special meetings, as the case may be, shall apply to determine the time required for and the proper form of notice of any meeting called for the purpose of considering annexation of property pursuant to this Section and to ascertain the presence of a quorum at such meeting.

(c) Acquisition of Additional Common Area. Declarant may convey to the Association additional real property, or any interest therein, improved or unimproved, and upon conveyance or dedication to the Association the same shall be accepted by the Association and thereafter shall be maintained by the Association at its expense as a Common Area for the benefit of all of its Members. Annexation of additional property or future development phases of the Community, if annexed herein, may result in additional Common Areas being owned and maintained by the Association and conveyance of Common Areas therein shall not require the consent of any other Owner or Builder.

(d) Withdrawal of Property. Declarant shall be entitled to withdraw portions of the Property owned by Declarant from the terms and conditions of this Declaration, subject to the terms and conditions of this Section. For purposes of this Declaration, the portion of the Property withdrawn from the terms hereof shall be referred to as the “**Withdrawn Property.**” In order to withdraw such portion of the Property from the terms of this Declaration, Declarant shall record in the Public Records of the County an instrument executed with the formalities of a Deed, which instrument shall make reference to this Declaration, state that the purpose of the instrument is to withdraw the Withdrawn Property from the terms and conditions of this Declaration; and contain a legal description of the Withdrawn Property. Declarant shall have the right to withdraw portions of the Property from the terms and conditions of this Declaration without the joinder, ratification or approval of the Association, any Owner, or any lienholder, provided that Declarant is the fee simple owner of the Withdrawn Property, and provided that the withdrawal of the Withdrawn Property shall not result in a material change to the scheme of development of the Community. Upon the withdrawal of the Withdrawn Property from the terms and conditions of this Declaration, the Withdrawn Property shall no longer be subject to the terms of this Declaration, including all exhibits hereto, or any other covenants, restrictions and/or regulations provided herein or adopted hereunder, except for those easements, rights-of-way, or other portions hereof which, by their terms, specifically survive the termination of this Declaration, which shall include the withdrawal of such lands from the terms and conditions of this Declaration.

(e) Amendment. This Article II, Section 3 shall not be amended without the prior written consent of Declarant, during the Development Period or so long as the Declarant holds Lots or Homes for sale in the ordinary course of business.

ARTICLE III

MEMBERSHIP

Section 1. Membership. Every person or entity who is a record Owner of a fee or undivided fee interest in any Lot which is subject to the covenants, conditions, restrictions, reservations, easements, liens and charges, of this Declaration, including contract sellers, shall be a Member of the Association. The foregoing is not intended to include persons or entities that hold an interest merely as security for the performance of an obligation. No Owner shall have more than one membership for each Lot owned. Membership shall be appurtenant to a Lot and may not be separated from ownership of the Lot. Ownership of a Lot shall be the sole qualification for membership. The Owner of record of each Lot shall be subject to assessment by

the Association, as hereinafter provided, and shall be subject to enforcement by the Association in accordance with the terms and provisions of this Declaration.

ARTICLE IV

VOTING RIGHTS

The Association shall have two (2) classes of voting membership:

Class A. Class A Members shall be those Owners defined in Article III with the exception of the Declarant until the expiration of the Class B membership when the Class B memberships convert to Class A memberships. Class A Members shall be entitled to one (1) vote for each Lot in which they hold the interest required for membership by Article III. When more than one (1) person or entity holds such interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Class B. Declarant shall be the Class B Member. The Class B Member shall be entitled to three (3) votes for each Lot owned by a Class A Member. Notwithstanding the foregoing, the Class B membership shall cease and be converted to Class A membership on the happening of any of the following events, whichever occurs earlier, unless otherwise required by Florida law:

(a) Three (3) months after ninety (90%) percent of the Lots have been conveyed to third-party purchasers; provided, however, this event shall be deemed not to have occurred if a Lot is conveyed to a Builder who becomes a successor Declarant by assignment of the original Declarant's rights; or

(b) Thirty (30) days after Declarant elects to terminate the Class B membership by delivery to the Secretary of the Association of a certificate in recordable form signed by Declarant stating that Declarant elects to terminate the Class B membership; or

(c) As required by Florida law.

Upon the conversion of the Class B membership to Class A membership, the Declarant shall be entitled to one vote for each Lot they own in the same manner as all other Class A Members.

Notwithstanding the foregoing, Declarant shall be entitled to appoint at least one (1) member of the Board of Directors of the Association as long as Declarant holds for sale in the ordinary course of business at least five percent (5%) of the Lots within the Property. After Declarant relinquishes control of the Association, Declarant may exercise the right to vote any Declarant owned voting interest in the same manner as any other Member, except for purposes of reacquiring control of the Association or selecting the majority of the Members of the Board of Directors.

ARTICLE V

PROPERTY RIGHTS

Section 1. Community Common Area. The Association shall have Common Area that may include open space, Surface Water Management Systems, landscape buffers, mail kiosks and related parking, and signage, and the following provisions shall apply to any the foregoing and any other real property Common Areas now or hereinafter owned by, dedicated to or for the benefit of the Association.

Section 2. Membership Easements of Enjoyment. Every Member shall have a right and easement of enjoyment in and to the non-exclusive use of the Common Area, and such easement shall be appurtenant to and shall pass with the title to every Lot, subject to the following provisions:

(a) The right of the Association, in accordance with its Articles of Incorporation and Bylaws, to borrow money for the purpose of improving the Common Area, and in aid thereof, to mortgage said Common Area, provided, the rights of such mortgagee in said Common Area shall be subordinate to the rights of the Owners hereunder. The right to mortgage the Common Area provided herein shall not become effective until a Home has been constructed upon each Lot within the Property and each Lot has been conveyed from the Declarant or a Builder to a purchaser. No such rights to mortgage shall be effective unless approved by an affirmative vote of two-thirds of the Members at a duly noticed meeting for the purpose of approving such mortgage.

(b) The right of the Association to dedicate or transfer all or any part of the Common Area to any public agency, authority or utility for such purposes, and subject to such conditions as may be agreed to by the Members. No such dedication or transfer shall be effective unless approved by an affirmative vote of two-thirds of the Members at a duly noticed meeting and the vote of the Class B membership, if any, agreeing to such dedication or transfer, and unless written notice of the proposed action is sent to every Member not less than thirty (30) days nor more than sixty (60) days in advance of the duly called meeting at which the vote on such dedication or transfer is held;

(c) The right of the Declarant or the Association to establish, from time to time, certain easements over the Common Area for utilities, broadband communications, cable television and other common services purposes;

(d) The right of the Association to charge reasonable fees for the use of designated facilities (if any) on the Common Area and to temporarily close facilities for repair or maintenance;

(e) Existing easements and agreements of record and those easements granted by the Declarant or the Association in accordance herewith and on the Plat. Recordation of an additional easement document in the public records shall not be required in order to effectuate such easements;

(f) Easements referred to in Article X hereof;

(g) The right to the use and enjoyment of the Common Area and facilities thereon, once construction has been completed, shall extend to all Members and their family, tenants, contract purchasers and invited guests, provided there is delegation of the right of enjoyment in accordance with the Bylaws and subject to regulation from time to time by the Association in its Rules;

(h) Access to certain Common Area within the Property may not be obtained from an Owner's or Member's Lot or other Common Area or publicly dedicated streets or properties. Thus, to obtain access to certain Common Area for which access cannot be obtained from the Owner's or Member's Lot, other Common Area or publicly dedicated streets or properties, the Owner or Member shall need to obtain the permission of an Owner whose Lot is contiguous to said Common Area. The fact that a Member or Owner shall not have access to certain Common Area from his or her Lot, Common Area or publicly dedicated streets or properties does not allow an Owner to avoid liability for Assessments provided for in Article VI of this Declaration; and

(i) The other provisions of this Declaration, the Articles and Bylaws, as the same may be amended from time to time.

Section 3. Common Area.

(a) Ownership. The Declarant hereby represents that the fee simple title to the Common Area has been or will be conveyed to the Association and the Association shall maintain the Common Area from and after the recording of this Declaration. In addition, any easement granted in favor of the Association shall be maintained by the Association in accordance with the terms of any such grant or dedication as if such easements were Common Areas; provided, however, the use and enjoyment of such easements shall be limited to the purpose for which they were intended. The Association shall be obligated to accept conveyance of any Common Areas or grants of easements from the Declarant or third parties as deemed necessary or advisable by Declarant. The Association shall have the right to promulgate rules and regulations for the use of Common Areas and such restrictions shall be enforceable against all Owners and their guests, tenants and invitees.

(b) Maintenance. The Association shall be responsible for the maintenance of the Common Areas in a continuous and satisfactory manner in good order, condition, and repair. In addition, the Association shall replace as scheduled any and all improvements situated on the Common Areas (upon completion of construction), including, but not limited to, all landscaping, paving, street lighting fixtures, signs, common irrigation systems, drainage facilities, and other structures, including entry features, perimeter fences, gates or signage installed by the Declarant or the Association, but excluding any public utilities and municipal or County improvements, facilities and rights of way. The Association shall be authorized, but not required, to provide other services, such as providing emergency repairs and perform other work on Lots reasonably necessary for the proper maintenance and operation of the Community and shall have easement rights necessary to perform same. All work pursuant to this Section and all expenses hereunder shall be paid for by the Association through Assessments as provided in this Declaration;

provided, however, that the cost of any maintenance, repair or replacement caused by the negligent conduct of an Owner or its guest, tenants or other invitees or by the failure of an Owner to comply with the lawfully adopted rules and regulations of the Association shall be levied as an Individual Assessment against such Owner individually. No Owner may waive or otherwise escape liability for the Assessments for such maintenance by non-use of the Common Areas or abandonment of his right to use the Common Areas. All governmental and or regulatory permits issued to the Declarant for construction and improvement of the "Briarwood" Subdivision that require ongoing reporting and adherence to such permits shall be administered and adhered to by the Association until such time that all governmental or regulatory agency requirements have been satisfied. It is expressly understood that this provision and any costs associated with this provision shall be borne by the Association.

(c) Rules and Regulations. The Association, through its Board of Directors, may make and enforce reasonable Rules and regulations governing the Common Areas, which Rules and regulations shall be consistent with the rights and duties established by this Declaration. Sanctions may include reasonable monetary fines levied in accordance with the Declaration and applicable law and suspension of the right to vote. The Board of Directors shall, in addition, have the power to seek relief in any court for violations or to abate nuisances. Imposition of sanctions shall be as provided herein and in the Bylaws of the Association.

(d) Association's Obligation to Indemnify. Association and Owners each covenant and agree jointly and severally to indemnify, defend and hold harmless Declarant and its officers, directors, shareholders, and any related persons or corporations and their employees from and against any and all claims, suits, actions, causes of action or damages arising from any personal injury, loss of life, or damage to property, sustained on or about the Common Areas or other property serving Association, and improvements thereon, or resulting from or arising out of activities or operations of the Association or Owners, and from and against all costs, expenses, court costs, attorneys' fees and paraprofessional fees (including, but not limited to, all trial and appellate levels and whether or not suit be instituted), expenses and liabilities incurred or arising from any such claim, the investigation thereof, or the defense of any action or proceedings brought thereon, and from and against any orders judgments or decrees which may be entered relating thereto. The costs and expense of fulfilling this covenant of indemnification shall be operating expenses of the Association to the extent such matters are not covered by insurance maintained by the Association.

Section 4. Declarant's Reserved Rights. Notwithstanding any provision herein to the contrary, the property rights under this Article V shall be subject to:

(a) The right of Declarant to execute all documents and take such actions and do such acts affecting the Property or the Common Area which, in the Declarant's sole discretion, are desirable or necessary to facilitate the Declarant's or any Builder's development, construction, sales and marketing of the Property. However, nothing contained herein shall authorize Declarant or any Builder to take any action that will diminish the rights of any lienholder or the holder of any mortgage on any Lot or on the Common Area; take any action that will affect title to any of the Lots after conveyance to third parties; or unilaterally change the Declaration, Articles,

Bylaws and Rules in violation of Chapter 720, Florida Statutes, after the Class B membership has terminated.

(b) Easements of record on the date hereof and any easements which may hereafter be granted by Declarant to any public or private utilities or governmental bodies for the installation and maintenance of cable television, electrical and telephone conduit and lines, sewers or water pipes, or any other utilities or services to any Lots within the Property or any portion of the Common Area or such easements as Declarant may determine are necessary or beneficial for the maintenance or preservation of the Property.

(c) The Declarant and Builders shall have full rights of ingress and egress to and through, and over and about the Property, including all Common Areas, during the Development Period and such additional period of time as Declarant or any Builder(s) are engaged in any development, construction or improvement work, sales, leasing or marketing of the Community on or within the Property, and the Declarant and any Builder(s) shall further have an easement thereon for the purpose of storage of materials, vehicles, tools, equipment, etc., which are being utilized in such development or construction and for the use and maintenance of signs, banners, and the like being used in connection with the sale or promotion of the Property, or any portion thereof. The Declarant and Builders shall further have the right to operate and maintain models, sales centers and leasing offices and to operate and open gates and access to the Community to facilitate sales and marketing of the Community in Declarant's sole and absolute discretion during the Development Period and such additional period of time as Declarant is engaged in any construction or improvement work, sales, leasing or marketing of the Community or within the Property. No Owner, his guests, employees, servants, agents and invitees shall in any way interfere or hamper Declarant or any Builder, or their agents, servants, employees, invitees, successors or assigns, in connection with such construction, development, promotion or sales activity.

(d) The Declarant shall have full right to assign any or all of its right, title and interest in the Property, both as Declarant and as a Member of the Association, to another party by the execution and recording of a proper instrument in the Public Records of the County. This provision shall not, however, be construed to allow Declarant to assign a membership in the Association in a transaction separate from ownership of a Lot. Notwithstanding the foregoing, the Declarant, in its sole discretion, shall also have the right to grant a Builder certain rights reserved hereunder to the Declarant for the purpose of constructing, selling and marketing Homes in the Community and conducting construction, sales and marketing thereof by executing a partial, non-exclusive assignment of rights in favor of the Builder to be kept in the official records of the Association. Any such assignment of rights shall not impose any obligation of the Declarant hereunder on any such Builder unless such obligations are expressly assumed by such Builder.

(e) Notwithstanding anything contained herein to the contrary, neither the Declarant, the Builders, nor the Association makes any representation whatsoever as to the commencement, completion or construction of any optional or recreational facilities within or upon the Common Areas. The Declarant expressly reserves the right to modify the plan of development, the site plan, the recreational or optional facilities, amenities, product types, and number of Homes or dwellings in the Community in such manner as Declarant and the Builder(s) deem desirable for the Community. Title to any portion of the Common Areas owned by

Declarant may be transferred to the Association at any time, provided, that title to all portions of the Common Areas owned by Declarant shall be transferred to the Association no later than the expiration of the Development Period. The transfer of title to any portion of the Common Areas to the Association shall be subject to: (i) all rights of Declarant, Builders and other persons set forth in this Declaration; and (ii) any restrictions or limitations contained in the instrument conveying such portion to the Association. THE ASSOCIATION AND THE MEMBERS SHALL BE OBLIGATED TO ACCEPT THE COMMON AREAS AND ANY IMPROVEMENTS LOCATED THEREON IN THEIR "AS-IS" CONDITION. NEITHER THE DECLARANT NOR ANY BUILDER MAKES ANY REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, ALL OF WHICH ARE DISCLAIMED TO THE FULLEST EXTENT PERMITTED BY LAW, WITH RESPECT TO THE COMMON AREAS AND THE IMPROVEMENTS THEREON INCLUDING WITHOUT LIMITATION THE MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE, THE CONSTRUCTION, DESIGN, ADEQUACY OF SIZE OR CAPACITY RELATED TO THE USE OF THE SAME, DATE OF COMPLETION OR FUTURE ECONOMIC PERFORMANCE OR OPERATION OF THE COMMON AREAS AND THE IMPROVEMENTS THEREON, INCLUDING ALL MATERIALS, FIXTURES, PERSONAL PROPERTY OR EQUIPMENT THEREIN.

Section 5. No Dedication to Public Use. Nothing contained in this Declaration shall be construed or be deemed to constitute a dedication, express or implied, of any part of the Common Area for use by the public, except for access to and from and throughout the property described in the Plat or any additions thereto for emergency access, law enforcement and persons providing essential services to the Community and its Members.

Section 6. Incorporation of Easements by Reference. Reference in the respective deeds of conveyance, or any mortgage or trust deeds or other evidence of obligation, to the easements and covenants herein described shall be sufficient to create and reserve such easements and covenants to the respective grantees, mortgagees or trustees of said parcels as fully and completely as though said easements and covenants were fully recited and set forth in their entirety in such documents.

Section 7. Surface Water Management. It is acknowledged that the Property is located within the boundaries of the WMD and that an easement is hereby created over the entire Property for the surface water drainage and storage, and for the installation and maintenance of the Surface Water Management System for the Property in accordance with the Permit; provided, however that such easement shall be subject to improvements constructed within the Property as permitted by controlling governmental authorities from time to time. The Surface Water Management System shall be part of the Common Area, owned by the Association, and operated and maintained by the Association or its agents, as Common Area, in compliance with all approvals, codes and regulations of governmental authorities and the WMD. Such operation and maintenance shall specifically include all utility costs and equipment related to the obligations hereunder. Maintenance of the Surface Water Management System shall mean the exercise of practices which allow the systems to provide drainage, water storage, conveyance or other surface water or stormwater management capabilities as permitted by the WMD and shall specifically include, but not be limited to, maintenance of aquatic vegetation, lake beds, lake banks, littoral planting and lake maintenance easements which, pursuant to the terms of this

Declaration, are not the responsibility of others, as well as water quality and wetland monitoring or testing. Any repair or reconstruction of the Surface Water Management System shall be as permitted, or if modified, as approved, by the WMD. Except as hereafter provided, the Association shall maintain as a common expense the entire Surface Water Management System for the Property in accordance with the Permit, including but not limited to all inlets, ditches, lakes and canals, swale areas, retention areas, culverts, pipes, pumps, catch basins, water control structures, retention and detention areas, floodplain compensation areas, wetlands and associated buffer area, and mitigation areas, and all related appurtenances, and any littoral zones in any lakes or other waterway, regardless of whether or not same are natural or man-made within the Property or are owned by the Association. Such maintenance shall be performed in conformance with the requirements of any governmental authority, and an easement for such maintenance is hereby created. The Association will have the right, but not the obligation, to maintain any portion of the Surface Water Management System for the Property which is owned and/or maintained by any controlling governmental authority, or which is outside of the Property. The Association will have the right to enter into agreements with any controlling governmental authority or any other property owner or association for the common maintenance of the Surface Water Management System serving the Property and any other property. The Property shall be required to accept surface water drainage from any other property pursuant to the requirements of any controlling governmental authority and an easement for such drainage is hereby created, and in connection therewith the Association will have the right, but not the obligation, to maintain any portion of the Surface Water Management System for such other property reasonably required in connection with the maintenance or operation of the Surface Water Management System for the Property.

ARTICLE VI

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments to be Paid to the Association. The Declarant for each Lot owned by it within the Property, hereby covenants, and each Owner of any Lot by acceptance of a deed therefore, whether or not it shall be so expressed in any such deed or other conveyance (including any purchaser at a judicial sale), is deemed to covenant, which covenant shall run with the land and be binding on every Owner, and agrees to pay to the Association: (1) any regular assessments or charges for the payment of operating expenses of the Association (including payment of property taxes which may be assessed against Common Area or any personal property which may in the future be owned by the Association) (“**Regular Assessments**” or “**Annual Assessments**”); and (2) any special assessments for improvements, or to fund any deficits between the amount collected for regular assessments in accordance with the annual budget and the amount determined necessary by the Association for the proper management and maintenance of the Common Area, together with other costs and/or expenses levied or imposed against the Association or property of the Association (“**Special Assessments**”); and (3) any individual assessments or charges incurred by the Association on behalf of one or more Lots but not all Lots (“**Individual Assessments**”). All such Regular Assessments, Special Assessments and Individual Assessments, collectively referred to as “**Assessments**,” shall be fixed, established and collected from time to time as hereinafter provided. The Assessments, together with such interest thereon and costs of

collection thereof, including attorney's fees, as hereinafter provided and any applicable late fee imposed by the Board of Directors of the Association, shall be a charge on the Property and shall be a ***continuing lien*** relating back to the date of recordation of the Declaration upon any Lot against which each such assessment is made, and said lien may be enforced in the same manner in which mortgages are enforced. Each such assessment, together with interest, costs (including applicable late fees), and reasonable attorneys' fees for its collection, including attorneys' fees involved at all appellate levels and whether or not suit is instituted, shall also be the personal obligation of the person or entity who was the Owner of the Lot at the time when the assessment becomes due. Each Owner shall be jointly and severally responsible with the previous Owner for all Assessments due to the Association prior to the transfer of title, without prejudice to any right the present Owner may have to recover any amounts paid by the present Owner from the previous Owner. The Declarant shall not pay any special assessments or annual HOA dues. **Maximum Annual Assessment.** Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment shall be FOUR HUNDRED FIFTY AND 00/100 DOLLARS (\$450.00) per Lot.

(a) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased each year not more than 5% above the maximum assessment for the previous year without a vote of the membership.

(b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased above 5% by a vote of two-thirds (2/3) of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose.

(c) The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 2. Purpose of Assessments. The Assessments to be levied by the Association shall be used for the purpose of promoting the recreation, health, safety, and welfare of the residents of the Property and shall specifically include, but not limited to: payment of all water or utility charges for the Lots and/or Common Area billed through the master meter (if any); any fees due under a bulk service agreement entered into on behalf of the Owners by the Association or Declarant; the maintenance of the Common Area and any improvements or equipment maintained by the Association; the payment of taxes and insurance for the Common Area; payment for the improvement and maintenance of the Common Area; and services and facilities related to the use and enjoyment of the Common Area. Special Assessments shall be used to fund capital improvements, deficits in the collection of Regular Assessments to cover operating expenses of the Association, and other purposes deemed necessary by a majority vote of Owners of the Association as set forth in Section 5 hereof. Individual Assessments shall be for the costs incurred by the Association which by nature are applicable only to one or more Lots, but less than all Lots. By way of example and not limitation, in the event an Owner fails to maintain their Lot in a manner required by the Governing Documents, the Association shall have the right, through its agents and employees, to enter upon the Lot and to repair, restore, and maintain the Lot and/or Home as required by the Governing Documents. The costs of any such repair, restoration and/or maintenance, plus the reasonable administrative expenses of the Association

and any costs incurred in bringing a Lot and/or Home into compliance with the Governing Documents, shall be an Individual Assessment charged against the Lot.

Section 3. Basis of Annual Assessments. For the initial year of operation of the Association, the monthly Assessment shall be the amount as set forth in the estimated operating budget of the Association for the initial year of operation. From and after January of the next operating year, the annual Assessment shall be determined in accordance with the Articles of Incorporation and Bylaws of the Association taking into account current maintenance costs and future needs of the Association. Each Owner acknowledges the Association is responsible for the repair and maintenance of capital improvements that may result in a Special Assessment due to reserves not being collected. Because reserve accounts are not being initially provided for by the Declarant, the Members of the Association may elect to collect reserves after the expiration of the Class B membership upon the affirmative approval of a majority of the total voting interests of the Association obtained by a vote of the Members at a duly called meeting of the membership or by the written consent of a majority of the total voting interests of the Association. The approval action of the membership must state that reserve accounts shall be provided for in the budget and must designate the components for which the reserve accounts are to be established. Upon approval by the membership, the Board of Directors shall include the required reserve accounts in the budget in the next fiscal year following the approval and each year thereafter. Once reserves are established as provided in this subsection, the reserve accounts must be maintained by collection of Assessments or have their funding waived in the manner provided by Chapter 720, Florida Statutes. Notwithstanding the same, reserves will not be funded by the Declarant for the Lots Declarant owns so long as Declarant is funding any deficits in operating costs pursuant to Section 12 herein.

Section 4. Uniform Rate of Assessment. Unless otherwise provided for herein, as to Lots that have been conveyed from the Declarant or from a Builder to a third-party purchaser other than a Builder and upon which a Home has been completed or is occupied, both Annual and Special Assessments must be fixed at a uniform rate for all Lots with a Home and may be collected on an annual, quarterly or monthly basis or at any other interval as determined by the Board of Directors. Payments of all Assessments will be made directly to the Association or its designated management company and in no instance shall any mortgagees have the obligation to collect Assessments. Notwithstanding the foregoing, any Vacant Lot that does not have a Home that is occupied or that has been conveyed to a third-party home purchaser shall in no event pay more than 25% of the Annual Assessment for such Vacant Lot until a Home is constructed thereon and is either occupied or has been issued a Certificate of Occupancy.

Section 5. Special Assessment for Capital Improvements. In addition to the Annual Assessment authorized above, the Association may levy in any assessment year, a Special Assessment applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a described capital improvement upon the Common Area, including the necessary fixtures and personal property related thereto, or to cover deficits in the collection of Regular Assessments to cover operating expenses of the Association; PROVIDED that any such Special Assessments shall have the assent of a majority of the votes of each class of Members who are voting in person or by proxy at a meeting at which a quorum is obtained and which is duly called for this purpose, written notice of which shall be sent to all Members not less than 15 days nor more than 60 days in

advance of the meeting setting forth the purpose of the meeting. Special Assessments shall be allocated equally among all Lots upon which a Home has been constructed and for which a Certificate of Occupancy has been issued. Builders owning Vacant Lots shall not be obligated to pay Special Assessments thereon unless a Certificate of Occupancy for the Home constructed thereon has been issued on the date the Special Assessment is approved by the Members.

Section 6. Quorum for Any Action Authorized Under Section 5. At each meeting called, as provided in Section 5 hereof, the presence of the meeting of Members or of proxies entitled to cast thirty percent (30%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, one additional meeting may be called, subject to the notice requirements set forth in Section 5 and the required quorum at any such subsequent meeting shall be one-half ($\frac{1}{2}$) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Date of Commencement of Annual Assessments; Due Dates. The Annual Assessments provided for herein shall commence as to each Lot on the conveyance of the Lot by the Declarant or a Builder to a third-party purchaser other than a Builder. The first Annual Assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors of the Association shall fix the amount of the Annual Assessment against each Lot at least thirty (30) days in advance of each Annual Assessment period. Written notice of the Annual Assessment shall be sent to every Owner subject thereto together with the due date of such Assessments established by the Board of Directors. The Board of Directors, if necessary to insure cash flow, may institute reasonable late payment fees for any delinquent payment of the Annual Assessment. The Association shall upon demand at any time furnish a certificate in writing signed by an officer of the Association setting forth whether the Assessments on a specified Lot have been paid. A reasonable charge may be made by the Board of Directors or its agent for the issuance of these certificates. Such certificate shall be conclusive evidence of payment of any Assessment therein stated to have been paid.

Section 8. Effect of Nonpayment of Assessments: Remedies of the Association. Any Assessments which are not paid when due shall be delinquent. If the Assessment is not paid within ten (10) days (or such other period of time established by the Board of Directors) after the due date, an administrative late fee of the greater of Twenty-Five and no/100 Dollars (\$25.00) or 5% of the amount of the installment that is past due, together with interest in an amount equal to the maximum rate per annum allowable by law beginning from the due date until paid in full may be levied. The Association, acting through its Board of Directors, may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Lot to which the Assessment is levied, and interest, costs and reasonable attorneys' fees, including at all appellate levels and whether or not suit is instituted, in collection or enforcement shall be added to the amount of such Assessment. Additionally, the Board of Directors of the Association may at its discretion accelerate the Assessments then due from a delinquent Owner for the next twelve (12) months. The Association may also notify any mortgagees or lenders of Owner, any co-borrowers and/or guarantor(s) (without recourse to Declarant and/or the Association) of delinquencies in the payment of Assessments. No Owner may waive or otherwise escape liability for the Assessments provided for herein by non-use of the Common Area or abandonment of his or her Lot. All payments on accounts shall be first applied to fines levied in accordance with the

terms of the Declaration, interest accrued by the Association, then to any administrative late fees, then to collection costs and attorney fees, and then to the delinquent Assessments. The allocation of payments described herein shall apply notwithstanding any restrictive endorsement, designation or instruction placed on or accompanying a payment. Additionally, if a Home is occupied by a Lessee and the Owner is delinquent in the payment of Assessments, the Association may demand from the Lessee payment to the Association of all monetary obligations, including without limitation, Assessments due from the Owner to the Association. So long as the Owner remains delinquent, future rent payments due to the Owner may be collected by the Association and shall be credited to the monetary obligations of the Owner to the Association. If within fourteen (14) days from written demand of the Association, the Lessee provides the Association with written evidence of making prepaid rent payments, the Lessee shall receive credit for the prepaid rent for the applicable period of such prepaid rent.

Section 9. Individual Assessment Against a Particular Owner of Lot. In the event an Owner of any Lot in the Property shall fail to maintain the premises and the improvements situated thereon in accordance with the terms and conditions of the Declaration and any promulgated Rules in a manner satisfactory to the Board of Directors to a minimum standard of consistency with the general appearance of the Property as initially constructed and improved by the Declarant or Builder (taking into account normal wear and tear and exposure to normal exterior conditions, but not to the point of unsightliness), the Association, after approval by a majority of the Board of Directors, shall have the right, through its agents and employees, to enter upon said Lot and to repair, maintain, and restore the Lot, and the exterior of the buildings and any other improvements erected thereon. The costs of such exterior maintenance performed on behalf of the Owner to which such Lot is subject may be assessed to the Lot as an Individual Assessment for such expense; and said Individual Assessment shall be enforced in the same manner as provided for in Section 8. In addition, in the event any Owner, its guests, tenants or invitees cause any damage to the Common Areas, including recreation or optional facilities, landscaping, drainage facilities, mail kiosks, or sidewalks, such Owner shall be responsible for the cost of any repairs required to correct such damage and the cost thereof may be assessed to the Owner as an Individual Assessment.

Section 10. Subordination of the Lien to Mortgages. The lien of the Assessments provided for herein shall be superior to all other liens except tax liens and the liens of any bona fide Institutional First Mortgage to an Institutional First Mortgagee recorded prior to any lien for Assessments by the Association; provided, however, that said mortgage liens are first liens against the property encumbered thereby, subject only to tax liens, and secure indebtednesses payable in monthly, quarterly or annual payments over a period of not less than ten (10) years.

Section 11. Exempt Property. The following Property subject to this Declaration shall be exempt from the Assessments created herein: (a) any portion of the Property dedicated to and accepted by a local public authority; (b) the Common Area; and (c) any portion of the Property owned by a charitable or non-profit organization exempt from taxation by the laws of the State of Florida; however, no Lot, land or improvements devoted to dwelling use shall be exempt from said Assessments. Lots owned by the Declarant shall be exempt from payment of Assessments so long as Declarant is deficit funding operating expenses in accordance with Section 12 below.

Section 12. Declarant's Right to Deficit Fund Operating Expenses. Notwithstanding any provision that may be contained to the contrary in this Declaration, for as long as Declarant or any successor Declarant is in control of the Association, the Declarant shall not be liable for Assessments against such Lots owned by the Declarant, provided that the Declarant funds any deficit in operating expenses exclusive of reserves, cost of capital improvements, and non-budgeted repairs or replacement, as specified in Chapter 720.308(1)(b), Florida Statutes. For the purposes hereof, a deficit shall be computed by subtraction from said operating expenses (exclusive of the items described in the foregoing sentence) all Assessments, contributions, income and other sums and income received or receivable by the Association. The Declarant may at any time commence to pay Assessments to the Lots that it owns and thereby automatically terminate its obligations to fund a deficit in the operating expenses of the Association, or any time or from time to time elect again to fund deficits as aforesaid. When all Lots within the Property are sold and conveyed to purchasers, the Declarant shall have no further liability of any kind to the Association for the payment of Assessments or deficits other than those that arose to prior to such time. Should Declarant, in its sole discretion, elect to fund cash shortfalls caused by delinquencies or other matters which would not otherwise require deficit funds from the Declarant, such funds shall be considered a loan to the Association to be paid back to the Declarant by the Association. The Declarant's rights under this Section 12 shall not be construed as a guarantee of Assessments under Section 720.308(2), Florida Statutes.

Section 13. Surface Water Management System. The Association will be responsible for assessing and collecting fees for the operation, maintenance, inspection and inspection reporting, mitigation and mitigation reporting, and, if necessary, replacement of the Surface Water Management System which is owned and operated by the Association. Fees shall be assessed and collected through Assessments. In the event the Community contains on-site wetland mitigation requiring monitoring and maintenance, the Association should budget and collect sufficient funds for the monitoring and maintenance of the mitigation areas in accordance with the Permit.

ARTICLE VII

CAPITAL CONTRIBUTION

Section 1. Capital Contribution on Sale By Declarant. At the time of the closing or the sale of a Home by the Declarant or a Builder to a third-party purchaser other than a Builder, each purchaser shall pay to the Association the amount of \$250.00 as a contribution to working capital. These monies (hereinafter called "**Capital Contribution**") shall be the Association's property and shall be held by the Association through its Board of Directors, pursuant to the powers described in the Articles and Bylaws. The Capital Contribution shall be deemed ordinary Association income and need not be separated from or held or applied differently than Assessments. No refund of a Capital Contribution will be made on re-sale. No Capital Contribution shall be due from a Builder when a Builder acquires a Lot for the purpose of constructing a Home thereon.

Section 2. Capital Contribution on Sale By Owner Other Than Declarant. At the time of the closing or the sale of a Lot or home by an Owner other than Declarant or a Builder, each purchaser shall pay to the Association a Resale Capital Contribution, which shall initially be

\$250.00 per Lot. The Board of the Association shall have the right to adjust the amount of the Resale Capital Contribution from time to time. These monies shall be the Association's property and shall be held by the Association through its Board of Directors, pursuant to the powers described in the Articles and Bylaws. The Capital Contribution shall be deemed ordinary Association income and need not be separated from or held or applied differently than Assessments. No refund of a Capital Contribution will be made on re-sale.

ARTICLE VIII

ARCHITECTURAL CONTROL

Section 1. Review of Proposed Construction. No improvement or alteration of any kind, including, but not limited to, a fence, wall or other addition, structure, or equipment (including exterior paint, roofing, landscaping, antennas, awnings, and shutters) shall be installed, painted, erected, removed or maintained within the Property, until the plans and specifications showing the nature, kind, shape, height, materials and location of the same shall have been submitted to, and approved in writing by, a majority of the Board of Directors of the Association. The Board of Directors of the Association shall approve proposals or plans and specifications submitted for its approval only if it deems that the construction, alterations or additions contemplated thereby in the locations indicated will not be detrimental to the appearance of the surrounding area of the Property and that the appearance of any improvement or other structure affected thereby will be in harmony with surrounding structures and improvements (or the surrounding area contemplated by Declarant, if within the Development Period) and it otherwise desirable. The Board of Directors of the Association may condition its approval of proposals and plans and specifications as it deems appropriate and may require submission of additional plans and specifications or other information prior to approving or disapproving material submitted. The Board of Directors of the Association may also issue rules or guidelines setting forth procedures for the submission of plans for approval. The Board of Directors of the Association may require such detail in plans and specifications submitted for its review as it deems proper, including, without limitation, floor plans, site plans, drainage plans, elevation drawings and descriptions or samples of exterior materials and colors. Until receipt by the Board of Directors of the Association of any required plans and specifications, the Board of Directors of the Association may postpone review of any plans submitted for approval. The Board of Directors of the Association shall have forty-five (45) days after delivery of all required materials to approve or reject any such plans. During the period of time the Declarant appoints the majority of the Board, if an Owner's plans are not approved within such 45-day period, said plans shall be deemed not approved; provided, however, once Owners other than the Declarant elect a majority of the Board, if an Owner's plans are not approved within such 45-day period, said plans shall be deemed approved. All changes and alterations shall be subject independently to all applicable governmental laws, statutes, ordinances, rules, regulations, orders and decrees. Any alteration or modification to the location and/or placement of exterior walls of any Home shall be further conditioned on compliance with the County ordinances and the obtaining of applicable governmental approvals, if any.

Section 2. No Waiver of Future Approvals. The approval of the Board of Directors of the Association of any proposals or plans and specifications or drawings for any work done or proposed, or in connection with any other matter requiring the approval and consent of the Board

of Directors of the Association, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans and specifications, drawings or matters whether subsequently or additionally submitted for approval or consent.

Section 3. Liability of the Board of Directors of the Association. No member of the Board of Directors of the Association (or Declarant) shall be liable to any Owner or other person by reason of mistake in judgment, failure to point out deficiencies in plans, or any other act or omission in connection with the approval of any plans. Any Owner submitting plans hereunder by the submitting of same, agrees (i) not to seek any damages or make any claim arising out of approval of plans hereunder, and (ii) to indemnify and hold the Board of Directors of the Association, the Association, and Declarant harmless from any cost, claim, damage, expense or liability whatsoever, including attorneys' fees and costs at all tribunal and appellate levels (and whether or not suit is instituted), arising out of the approval of any plans regardless of the negligence of the committee members, their representatives, or appointing entity.

Section 4. Inspection of Work. Inspection of work and correction of defects therein shall proceed as follows:

(a) Upon the completion of any work for which approved plans are required hereunder the applicant for such approval ("**Applicant**") shall give written notice of completion to the Board of Directors of the Association.

(b) Within thirty (30) days thereafter, the Board of Directors of the Association (or its duly authorized representative) may inspect such completed work. If the Board of Directors of the Association finds that such work was not affected in substantial compliance with the approved plans, it shall notify the Applicant in writing of such noncompliance within such thirty (30) day period, specifying the particulars of noncompliance, and shall require the Applicant to remedy the same.

(c) If an Applicant is notified of any noncompliance, the Applicant shall remedy or remove the same within a period of not more than forty-five (45) days from the date of announcement of the Board of Directors ruling. If Applicant does not comply with the Board of Directors of the Association ruling within such period, the Board of Directors, at its option, may either remove the noncomplying improvement or remedy the noncompliance (an easement therefore being hereby created), and Applicant shall reimburse the Association, upon demand, for all expenses incurred in connection therewith. This amount, together with interest thereon at the rate of eighteen (18%) percent per annum from the date the noncompliance was to have been remedied or removed, the maximum late fee allowed under Florida Statutes for each month that a violation exists if payment is not made within thirty (30) days after announcement, and all costs and reasonable attorneys' fees incurred by the Association in collection, enforcement or abatement, as appropriate (including attorneys' fees incurred at all appellate levels and whether or not suit is instituted) shall be a personal obligation of Owner and shall not pass to the successors in title of Owner unless expressly assumed by such successors. Such amount (including interest, costs, late fees and attorneys' fees as provided above) shall also be a **continuing lien** and run with the land on the Owner's Property if not paid within thirty (30) days after notice enforceable in the same manner in which mortgages are enforced by foreclosure, or by bringing an action at law or equity against the Owner.

(d) If for any reason the Board of Directors of the Association fails to notify the Applicant of any noncompliance within forty-five (45) days after receipt of written notice of completion from the Applicant, the improvement shall be deemed to have been made in accordance with the approved plans.

Section 5. Variances. The Board of Directors of the Association may authorize variances from compliance with any of the architectural provisions of this Declaration when circumstances such as topography, natural obstructions, hardship, aesthetic or environmental considerations may require. Such variance must be evidenced in writing and must be signed by at least two (2) members of the Board of Directors of the Association. If such variances are granted, no violation of the covenants, conditions and restrictions contained in this Declaration shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such a variance shall not operate to waive any of the terms and provisions of this Declaration for any purpose except as to the particular property and particular provisions hereof covered by the variance, nor shall it affect in any way the Owner's obligation to comply with all governmental laws and regulations affecting his use of the Lot and Home, including, but not limited to, zoning ordinances and lot setback lines or requirements imposed by any governmental or municipal authority.

Section 6. Architectural Review Committee. The Board of Directors of the Association may assign all of its responsibilities under Article VIII to an Architectural Review Committee to be appointed by the Board of Directors of the Association (the "ARC").

Section 7. Declarant's Exemption. Notwithstanding anything to the contrary, this Article does not apply to the Declarant or to D.R. Horton, Inc., as a Builder. Such exemption may be non-exclusively assigned by the Declarant to any other Builder. Notwithstanding anything to the contrary, the Declarant shall have the right to approve any of the foregoing for any Builder in lieu of the Association. The Declarant's review and approval of any Builder plans shall be deemed approval of the ARC and the Association and such approval may not be revoked or modified, and any modifications of such approved plans shall only require approval of the Declarant.

ARTICLE IX

USE RESTRICTIONS

Section 1. Residential Purposes. No Lot shall be used for any other purpose other than residential purposes. The occupancy of each Home shall be limited to the maximum number of persons allowable in accordance with Federal Regulations and local ordinances based on the size and configuration of the Home. No building shall be erected altered, placed or permitted to remain on any Lot other than a Home, related appurtenances, and other structures originally constructed by the Declarant or in accordance with ARC approval.

An affidavit of the person posting the aforesaid notice stating that it was properly posted shall be conclusive evidence of proper posting. Notwithstanding any other provision in this Declaration to the contrary, the foregoing restrictions shall not apply to construction vehicles utilized in connection with construction, improvement, installation, or repair by Declarant, Builders, or their agents. The right is also reserved to the Declarant and the Association to create additional utility easements by separate instrument as may be required from time to time.

Section 3. Encroachments. Notwithstanding any other provisions contained in this Declaration, in the event that any Home, as constructed by the Declarant or a Builder on a Lot, encroaches upon any portion of the Common Area or adjoining Lot, then a perpetual easement appurtenant to such Lot shall exist for the continuance of any such encroachment on the Common Area or adjoining Lot. In the event any fence, roof, overhanging roof, or portion of the Home, as constructed upon any Lot by Declarant or by a Builder, encroaches or overlaps upon any other Lot or the Common Area, then, in such event, a perpetual easement appurtenant to the Lot upon which the fence, roof, overhanging roof, or Home is construction shall exist for the continuation of any such encroachment or overlapping upon the adjoining Lots and Common Area.

The easements created by this Section shall be broadly construed and supplement other rights of the Declarant and Builders herein, running with the land until such time as the Declarant and Builders no longer own any Lots in the Community and all of the Declarant's obligations hereunder are satisfied.

Section 7. Maintenance of Easement Areas. Within the easement areas hereby reserved or created, or shown on the Plat of the Community, or within any designated common

Any such entrance by the Association shall not be deemed to be a trespass upon such Lot.

ARTICLE XI

mowing any grass located between a Lot boundary line and the top of the slope of any lake bank and between the front Lot boundary line and the top of curb of the street. The Owner shall promptly replace any grass that has died or otherwise requires replacement. In the event an Owner fails to adequately maintain the lawn, cut the grass on the Owner's Lot or replace dead grass, after reasonable notice and the opportunity to do the required maintenance, the Association shall have the right to enter upon the Lot and perform necessary lawn maintenance or cut the grass. The Association is hereby granted an easement over and across the Owner's Lot for the purpose of maintaining and cutting the grass, if necessary, and the Owner shall not place any obstruction, fence, wall, tree or shrubbery on such ground without the consent of the Association. The Owner shall be responsible for all costs incurred by the Association in maintaining the lawn and landscaping on the Owner's Lot and shall promptly reimburse the Association within ten (10) days after receipt of an invoice from the Association for such maintenance. All such costs shall be deemed an Individual Assessment on such Lot.

Section 3. Irrigation. It shall be the duty of the Association to maintain the irrigation system for the Community Common Areas and within any landscape easements or buffers which are the Association's responsibility at the Association's expense. The cost of maintenance of such portion of the irrigation system shall be assumed by the Association for the benefit of the entire Property and such costs shall be considered with the budget as part of grounds maintenance charged as a common expense. It shall be the duty of each Owner to maintain all irrigation lines, sprinkler heads, timers and all related irrigation equipment located on and servicing a Lot and, if applicable, located between the front Lot boundary and the top of the curb of the adjacent road at the Owners' expense. The Association is hereby granted an easement over and across each Owner's Lot for the purpose of installing the irrigation system. No Lot Owner shall place any obstruction, fence, wall tree, or shrubbery over the irrigation system without the consent of the Association. Each Owner acknowledges that irrigation water will be provided by the Owner's potable water source at the expense of the Owner. Due to water quality and equipment, irrigation systems may cause staining on Homes and other improvements, structures or paved areas and it shall be each Owners' responsibility to treat and remove any such staining at the Owner's expense. The Owner shall be responsible for all costs incurred by the Association in maintaining the irrigation system on the Owner's Lot (excepting any portion within a dedicated landscape easement or buffer) and shall promptly reimburse the Association within ten (10) days after receipt of an invoice from the Association for such maintenance. All such costs shall be deemed an Individual Assessment on such Lot. Further, the Owner shall not place any obstruction, fence, wall, tree or shrubbery over the irrigation system without the written consent of the Association. The Association may provide Owners with a watering schedule for the Lots in the Association's sole discretion. In the event water from irrigation systems on the watering schedule is insufficient to maintain lawns or landscaping on Lots, Owners shall supplement irrigation watering or hand water. Notwithstanding the foregoing, if for any reason the grass or landscaping on a Lot dies, the Owner shall promptly replace the same at the Owner's sole expense.

Section 4. Landscaping. The Association shall only be responsible for the maintenance of landscaping within any landscape easement or buffer or landscaping originally installed by the Declarant, Builders or the Association to comply with governmental requirements. Such maintenance shall include routine trimming of hedges only, weeding of plant beds and pruning of the landscaping and the cost of such maintenance shall be considered with the budget as a common expense and paid through Assessments. Each Owner shall be solely responsible for all other maintenance of other landscaping (such as trees), any landscaping not required to be maintained by the Association or landscaping installed on the Lot for aesthetics or by the Owner. The Association is hereby granted an easement over and across an Owner's Lot for the purpose of maintaining any landscaping in accordance herewith. Owners hereby acknowledge some landscape material on the Property and within any landscape easement is intended to fulfill required landscape buffers of adjacent properties. Owners shall not cut or remove any landscape materials on landscape easements installed by the Declarant or the Association required to remain pursuant to a permit or other governmental regulation. Any Owner violating the restrictions of this Section resulting in landscaping needing to be repaired or replaced will be charged the cost of such work. Notwithstanding the foregoing, the Association shall not be responsible for replacing dead or dying landscaping or trees, which shall be the Owner's obligation at the Owner's sole expense.

Section 5. Insurance. Each Owner of a Lot shall obtain insurance coverage upon the Lot insuring the Home and any improvements located thereon in an amount equal to the maximum insurable replacement value. Such coverage shall afford protection against (i) loss or damage by fire, hurricane, tornado, wind-storm, or other hazards covered by a standard extended coverage endorsement, and (ii) such other risks as from time to time shall be customarily covered with respect to similar construction, location and use as the Home including but not limited to vandalism and malicious mischief. Such coverage shall name the Association as an additional insured party. The Owner shall furnish proof of insurance to the Association at the time of purchase of a Lot and shall furnish proof of renewal of such insurance on the anniversary date thereof. In addition, any Owner owning or keeping a pet on a Lot shall also obtain and maintain adequate homeowners' insurance to cover pet liability, naming the Association as an additional insured.

Section 6. Exterior Painting and Pressure Cleaning. Each Owner shall be responsible for exterior painting and pressure cleaning of the Home and improvements thereon as required by the Association in accordance with this Section. It is anticipated that the Association shall require all Homes to be painted every five to seven years, provided exceptions may be granted based on circumstances to be determined by the Board. In addition, it is anticipated that the Association shall require the roof, exterior walls, sidewalks, patios and driveways of all Homes to be pressured washed every three years. The Board of Directors shall convene a duly noticed meeting to determine when the uniform exterior painting and pressuring washing shall be required for all Homes in the Community and each Owner shall have at least 120 days to commence the work after the Association provides written notification of required painting or cleaning. Each Owner shall have the right to paint or clean more frequently than required by the Association, provided that prior written approval of paint color is obtained from the Board of Directors. Notwithstanding the foregoing, by majority vote of the Members at a duly notice meeting, the Association may enter into a contract for painting or pressuring washing of all

Homes in the Community and charge each Owner its equal share of the cost thereof as a Special Assessment. If any Owner fails or refuses to paint or pressure wash its Home or other improvements as required herein, the Association may perform the work and charge the Owner the cost thereof as an Individual Assessment.

ARTICLE XII

COVENANTS RELATING TO FIRST MORTGAGEES

Section 1. The following actions will require the prior written approval of two-thirds (2/3) of the holders of record of Institutional First Mortgages on Lots within the Property, (based upon one (1) vote for each Institutional First Mortgage holder): the abandonment, partition, subdivision, encumbrance, sale or transfer of the Common Area by the Association, other than the granting of easements for public utilities or for other public purposes consistent with the intended use of the Common Area; a material change in the method of determining the assessments or other charges that may be levied against an Owner; the failure of the Association to maintain fire and extended coverage on any insurable improvements hereafter on the Common Area and any insurable improvements thereon in an amount that shall not be less than one hundred (100%) percent of the insurable value, based on the current replacement costs; the use of the insurance proceeds paid to the Association for any loss to the Common Area, or the improvements thereon, for any purpose other than the repair, replacement or reconstruction of the Common Area and the improvements thereon; the amendment of the Declaration in any manner which materially affects or impairs the rights of an Institutional First Mortgagee; the conveyance, encumbrance or hypothecation in any manner of the Common Area.

Section 2. An Institutional First Mortgage encumbering any Lot in the Property may singly or jointly with other Institutional First Mortgagees: pay the taxes or other charges which are in default and which may or have become a charge against the Common Area; pay overdue premiums on hazard insurance policies for the Common Area; or secure new hazard insurance coverage for the Common Area after lapse of the existing coverage. In the event any Institutional First Mortgagee makes any of the aforementioned payments, such Institutional First Mortgagee shall be entitled to immediate reimbursement from the Association for the payments advanced, and such Mortgagee shall be subrogated to the assessment and lien rights of the Association against the Owners for the repayment of such advance, and the expense of making such reimbursement to the Institutional First Mortgagee shall be deemed a common expense of the Association.

Section 3. No provision of this Declaration shall be interpreted to give an Owner, or any other party, priority over the rights of any Institutional First Mortgagee pursuant to the terms of its Mortgage on any Lot on the Property in the event of a distribution to such Owner of insurance proceeds or condemnation awards for losses to or a taking of the Common Area.

Section 4. Any Institutional First Mortgagee of a Lot on the Property who obtains title to a Lot pursuant to the remedies provided in said Mortgagee's Institutional First Mortgage on that Lot, or obtains title by deed in lieu of foreclosure, shall not be jointly and severally liable with the prior owner for unpaid assessment or charges accrued against said Lot prior to the acquisition of title to said Lot by such Mortgagee; however, such Mortgagee, or its successors or

assigns as a subsequent holder of the first mortgage, acquiring title to a Lot by foreclosure or by deed in lieu of foreclosure, shall be liable for the unpaid Assessments that became due before the mortgagee's acquisition of title in the amount equal to the lesser of (i) the Lot's unpaid Assessments and Special Assessments that accrued or came due during the 12 months immediately preceding the acquisition of title and for which payment in full has not been received by the Association; or (ii) one percent of the original mortgage debt on the Lot. The limitations on Assessment liability for Institutional First Mortgagees obtaining title through foreclosure provided by this paragraph apply only if the Institutional First Mortgagee filed suit against the Owner and initially joined the Association as a defendant in the mortgagee foreclosure action. Joinder of the Association is not required if, on the date the complaint is filed, the Association was dissolved or did not maintain an office or agent for service of process at a location that was known to or reasonably discoverable. Institutional First Mortgagees shall be responsible for all Assessments on the Lot as of the date of acquisition, including any Special Assessment or Individual Assessment assessed or coming due after the date of acquisition of title to the Lot.

Section 5. The Institutional First Mortgagee of any Lot on the Property is entitled, upon request, to written notification from the Association of any default in the performance by the Owner of any of such Owner's obligations pursuant to the terms of this Declaration, which default is not cured after sixty (60) days' notice to such Owner.

Section 6. Any Institutional First Mortgagee who acquires title to any portion of the Property by way of foreclosure, deed in lieu of foreclosure, or otherwise, shall be entitled to any exemption from the restrictions on sales and leasing of Homes and Lots to the same extent that Declarant would be exempt from such restrictions.

ARTICLE XIII

LEASE AND OCCUPANCY RESTRICTIONS

Section 1. Leases. No home shall be used as an "Air Bed and Breakfast" ("Airbnb") nor may any home be used to lease out individual rooms to multiple residents. All leases shall be in writing and a copy of such lease shall be reviewed by the Association prior to the effective date of the lease. The lease shall provide that the Association shall have the right to terminate the lease in the name of and as agent for the lessor upon default by tenant in observing any of the provisions of the Declaration, the Articles of Incorporation, Bylaws of the Association and applicable rules and regulations, if any. The Owner or lessee requesting the review shall pay to the Association or its management agent a fee of One Hundred and No/100 (\$100.00) Dollars or the maximum amount permitted by the Florida Statutes, to cover the costs of reviewing the lease and examining records. No lease shall be approved for a term of less than seven (7) months. No Home may be leased more than two (2) times in any calendar year unless otherwise approved by Association in the case of hardship. The prior written review of the Association for a lease shall not apply to Lots and/or Homes acquired by an Institutional Mortgagee who has acquired title to the Lot and/or Home through foreclosure or deed in lieu of foreclosure. The Owner will be jointly and severally liable with the tenant to the Association for any sum which is required by the Association to affect such repairs or to pay any claim for injury or damage to property caused

by the negligence of the tenant. The Board of Directors may by a majority vote establish a requirement that a sum of money not to exceed One Thousand and No/100 (\$1,000.00) Dollars or one month's rent, whichever is greater, be deposited in escrow with the Association as a security deposit for the purpose of covering the cost of any damage to the Common Area or other portions of the Property resulting from acts or omissions of tenants (as determined in the sole discretion of the Association). The number of occupants must comply with applicable Federal Law and local codes regarding the size of the Home. The tenant, as part of the Lease Agreement, shall agree to abide by and adhere to the terms and conditions of this Declaration together with all Rules and all policies adopted by Association. By acceptance of a deed to a Home, the Owner hereby agrees to remove, at the Owner's sole expense, by legal means including eviction, his or her tenant should the tenant refuse or fail to abide by and adhere to this Declaration, the Rules and Regulations and any other policies adopted by Association. Notwithstanding the foregoing, should an Owner fail to perform his or her obligations under this Section, the Association shall have the right, but not the obligation, to evict such tenant and the costs of the same shall be charged to the Owner as an Individual Assessment. During such time as a Home is leased, the Owner of such Home shall not enjoy the use privileges of the Common Areas appurtenant to such Home. If a Lot or Home is occupied by a tenant and the Owner is delinquent in paying any monetary obligation due to the Association, the Association may demand that the tenant pay to the Association all rental payments becoming due and continue to make such payments until all the monetary obligations of the Owner related to the Lot have been paid in full and the Association releases the tenant or until the tenant discontinues tenancy, in accordance with the terms of Florida law.

However, should the Association dissolve, the Surface Water Management System, property containing the Surface Water Management System and water management portions of Common Area shall be conveyed to one of the following: (i) local governing unit, municipal service taxing unit or special taxing unit, (ii) active water control district created pursuant to Chapter 298, Florida Statutes, drainage district created by special act, special district defined in Chapter 189, Florida Statutes, community development district created pursuant to Chapter 190, Florida Statutes, special assessment district created pursuant to Chapter 170, Florida Statutes, or water management district created pursuant to Chapter 373, Florida Statutes, (iii) state or federal agency, (iv) duly constituted communication, water, sewer, stormwater, electrical or other public utility, (v) construction permittee so long as such construction permittee continues to own the Surface Water Management System and water management portions of Common Area, or (vi) non-profits corporation, including homeowner's association, property owners' association, condominium owners' or master association so long as it submits the required paperwork and has the financial, legal and administrative capability to provide for the long term operation and maintenance of the Surface Water Management System (each an "**Approved Entity**"). The Approved Entity must have the powers listed in Section 12.3.4(b)1. through 8. of the WMD Applicant Handbook Volume 1 effective June 1, 2018 (the "**WMD Handbook**"), the covenants and restrictions required in Section 12.3.4(c)1. through 9. of the WMD Handbook, and the ability

to accept responsibility for the operation and maintenance of the system described in Section 12.3.4(d)1. or 2. of the WMD Handbook, all as the same may be amended or renumbered from time to time.

Section 2. Amendments Pertaining to Surface Water and Stormwater Management System. Any amendment of this Declaration which would affect the Surface Water and Stormwater Management System or the responsibility of the Association, or its agents, to maintain, or cause to be maintained, the Surface Water and Stormwater Management System must be approved by the Association and WMD for a determination of whether the amendment necessitates a modification of the Permit. The amendment may not be finalized until any necessary Permit modification is approved.

Section 3. Surface Water Management. No Owner or any other person or entity other than Declarant shall do anything to adversely affect the surface water management and drainage of the Property, including the Surface Water Management System, without the prior written approval of the Association and any controlling governmental authority, including but not limited to the excavation or filling in of any lake or canal, or the changing of the elevation of any portion of the Property, provided the foregoing shall not be deemed to prohibit or restrict the initial construction of improvements upon the Property by Declarant or by the developer of any portion of the Property in accordance with permits issued by controlling governmental authorities. In particular, no Owner other than Declarant or the Association, shall install any landscaping, place any fill on a Lot, remove or cut littoral plantings or native vegetation, spray herbicide or grade portions of the Property which would adversely affect the drainage of any contiguous Lot. No construction activities may be conducted relative to any portion of the Surface Water Management System, including but not limited to digging or excavation; depositing fill, debris or any other material or item; constructing or altering any water control structure; or any other construction to modify the system as permitted without the consent of the Association or WMD. No Owner or other person or entity shall unreasonably deny or prevent access to water management areas for maintenance, repair or landscaping purposes by the Declarant, Association, the WMD, or any appropriate governmental agency that may require access. No person shall fill, dike, rip-rap, block, divert or change the water retention and drainage areas that have been or may be created without the prior written consent of the Association and WMD. No Owner may construct or maintain any building, residence, or structure, or undertake or perform any activity in the wetlands, wetland mitigation areas, buffer areas, upland conservation areas, and drainage easements described in the Permit or Plat, unless prior approval is received from the Association and WMD. If such actions are permitted by the Association and WMD, the Declarant or the Association may draw water for irrigation or other purposes from any water management area. All recreational activities, including without limitation, boating, swimming, wading or fishing, in water management areas are strictly prohibited. If the Permit requires monitoring or maintenance of the wetland mitigation areas, the Association shall allocate sufficient funds in its annual operating budget to complete such monitoring or maintenance until the WMD determines that areas are successful in accordance with the Permit.

Section 4. Conservation Areas. The Property, including the Common Areas and some Lots, may contain conservation tracts, wetland preservation areas, and upland buffers (collectively, the "Conservation Areas") subject to conservation and preservation easements for

same. Conservation and preservation easements on the Property may be established or dedicated on the Plat, by a separate instrument and/or this Declaration. In addition to any additional restrictions set forth in the foregoing documents, the following activities are prohibited in the Conservation Areas: (1) construction or placing of buildings, roads, signs, billboards or other advertising, utilities or other structures on or above the ground; (2) dumping or placing of soil or other substances or materials as landfill, or dumping or placing of trash, waste or unsightly or offensive materials; (3) removal or destruction of trees, shrubs or other vegetation, except for the removal of exotic or nuisance vegetation in accordance with a district approved maintenance plan; (4) excavation, dredging or removal of loam, peat, gravel, soil, rock or other material substance in such manner as to affect the surface; (5) surface use, except for purposes that permit the land or water easement to remain in its natural condition; (6) activities detrimental to drainage, flood control, water conservation, erosion control, soil conservation, or fish and wildlife habitat preservation, including, but not limited to, ditching, digging and fencing; (7) acts or uses detrimental to aforementioned retention of land or water easement; and (8) acts or uses which are detrimental to the preservation of any features or aspects of the conservation easements having historical or archaeological significance.

Section 5. Rights of Enforcement. The WMD, the Association, the Declarant and each Owner shall have the right to enforce, by a proceeding at law or in equity, the provisions contained in this Declaration which relate to the maintenance, operation, monitoring, repair and replacement of the Surface Water and Stormwater Management System. Notwithstanding the foregoing, the WMD has the right to take enforcement action, including a civil action for injunction and penalties, against the Association's insurance policy or Association, as applicable, to compel it to correct any outstanding problems with the Surface Water and Stormwater Management System facilities or the mitigation or conservation areas under the responsibility or control of the Association.

Section 6. WMD Permit. The Environmental Resource or Surface Water Management Permit is made a part of this Declaration and attached hereto as Exhibit "D". Copies of the Permit and any future permit actions of the WMD shall be maintained by the Registered Agent of the Association for the benefit of the Association.

INSURANCE AND HAZARD LOSSES

Section 1. Authority. The Association's Board of Directors, or its duly authorized agent, shall have the authority to and shall obtain blanket all-risk insurance, if available at commercially reasonable rates, for all insurable improvements on the Common Areas. If blanket all-risk coverage is not available at commercially reasonable rates, then at a minimum an insurance policy providing fire and extended coverage shall be obtained. Insurance that shall be carried on the Common Areas and the Association Property, to the extent provided in this Article XV, shall be governed by the following provisions:

Section 2. Named Insured. All insurance policies upon the Common Areas and the Association Property shall be purchased by the Association and shall be placed in a single agency or company, if possible, licensed by the State of Florida. The named insured shall be the

Association. The Association has the authority to use their discretion in obtaining the coverage listed hereinafter, as some of the requirements may be or become unobtainable or may be cost prohibitive.

Section 3. Coverage. The Association shall use its best efforts to maintain insurance covering the following:

(a) Casualty. The Common Areas including any structures thereon, and all fixtures, installations or additions comprising that part of the Common Areas to be insured under the Association's policy(ies) and such improvements from time to time, together with all fixtures, building service equipment, personal property and supplies constituting the Common Areas or owned by the Association (collectively the "**Insured Property**"), shall be insured in an amount not less than 100% of the full insurance replacement value thereof. Such policies may contain reasonable deductible provisions as determined by the Board of Directors of the Association. Such coverage shall afford protection against:

(b) Loss or Damage by Fire and Other Hazards covered by a standard extended coverage endorsement; and

(c) Such Other Risk as from time to time are customarily covered with respect to the Common Areas and improvements similar to the Insured Property in construction, location and use, including, but not limited to, vandalism and malicious mischief.

(d) Flood Insurance. If any part of the Common Areas or Association Property is in a Special Flood Hazard Area as designated on a Flood Insurance Rate Map, the Association may maintain a master or blanket policy of flood insurance. The amount of flood insurance should be at least equal to the lesser of 100% of the insurable value of the facilities or the maximum coverage available under the appropriate National Flood Insurance Administration program.

(e) Liability Insurance. If the policy does not include "severability of interest" in its terms, a specific endorsement must be obtained to preclude the insurer's denial of an Owner's claim because of negligent acts of the Association or of other Owners.

(f) Public Liability Insurance. The Association shall obtain public liability and property damage insurance covering all of the Common Areas and the Association Property and insuring the Association and the Members as their interests appear in such amounts and providing such coverage as the Board of Directors of the Association may determine from time to time. The liability insurance shall include, but not be limited to, hired and non-owned automobile coverage.

(g) Workmen's Compensation Insurance. The Association shall obtain workmen's compensation insurance in order to meet the requirements of law, as necessary.

(h) Directors and Officers Liability Insurance. The Association shall obtain directors and officers liability insurance providing such coverage as the Board of Directors of the Association may determine from time to time.

(i) Other Insurance. The Board of Directors of the Association shall obtain such other insurance as they shall determine from time to time to be desirable.

Section 4. Subrogation Waiver. If available, the Association shall obtain policies which provide that the insurer waives its right to subrogation as to any claim against Members, the Association and their respective servants, agents and guests.

Section 5. Premiums. Premiums upon insurance policies purchased by the Association shall be paid by the Association. The cost of insurance premiums and other incidental expenses incurred by the Association in administering and carrying out any of the provisions of this Section shall be assessed against and collected from Members as part of the Annual Assessments.

Section 6. Association's Power to Compromise Claims. The Board of Directors of the Association is hereby irrevocably appointed agent for each Member and for each holder of a mortgage or other lien, for the purpose of compromising and settling all claims arising under insurance policies purchased by the Association, and to execute and deliver releases upon payment of claims.

Such amendments shall not require the consent of the Institutional First Mortgage Lenders and shall become effective when executed by Declarant and recorded in the Public Records of the County, Florida. After the Class B membership terminates, the covenants and restrictions of this Declaration may be amended by an affirmative vote of not less than a majority of the Owners at duly notice meeting for the purpose of voting on such amendment. Section 11. Disclaimer of Representations. Notwithstanding anything to the contrary herein, neither Declarant nor any Builder makes any warranties or representations whatsoever that the plans presently envisioned for the development of the Property or surrounding land can or will be carried out, or that any real property now owned or hereafter acquired by the Declarant is or will be subjected to this Declaration, or that any such real property (whether or not is have been subjected to this Declaration) is or will be committed to or developed for a particular (or any) use, or that if such real property is once used for a particular use, such use will continue in effect. ARTICLE XII - BYLAWS

The Board of Directors shall adopt Bylaws consistent with these Articles.

ARTICLE XIII - AMENDMENTS TO ARTICLES OF INCORPORATION AND BYLAWS

Amendment of these Articles requires the approval of at least two-thirds of the membership votes. Notwithstanding the foregoing; (a) for so long as the Declarant has the right to appoint the entire Board of Directors of the Association, the Declarant or its successor or assign shall be permitted to unilaterally amend these Articles; and (b) for so long as Declarant owns any portion of the Property, no amendment of these Articles shall make any changes which would in any way affect any of the rights, privileges, powers or options herein provided in favor of, or reserved to, the Declarant, unless the Declarant joins in the execution of the amendment.

Such amendments shall be subject to the prior approval required by any appropriate governmental agency. Notwithstanding anything to the contrary herein contained, amendments for correction of scrivener's errors may be made by the Board of Directors of the Association alone without the need of consent of any other person. If the proposed amendment necessitates a modification to the WMD Permit, the modification to the WMD Permit must be approved by the WMD prior to the amendment to these Articles.

ARTICLE XIV- INDEMNIFICATION OF OFFICERS AND DIRECTORS

Section 1. The Association hereby indemnifies any Director or Officer made a party or threatened to be made a party to any threatened, pending or completed action, suit or proceeding:

(a) Whether civil, criminal, administrative or investigative, other than one by or in the right of the Association to procure a judgment in its favor, brought to impose a liability or penalty on such person for any act alleged to have been committed by such person in his capacity of Director or Officer of the Association, or in his capacity as a Director, Officer, employee or agent of any other corporation, partnership, joint venture, trust or other enterprise which he served at the request of the Association, against judgments, fines, amounts paid in settlement and reasonable expenses, including attorneys' fees, actually and necessarily incurred as a result of such action, suit or proceeding or any appeal therein, if such person acted in good faith in the reasonable belief that such action was in the best interests of the Association, and in criminal actions or proceedings, without reasonable ground for belief that such action was unlawful. The termination of any such action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent shall not in itself create a presumption that any such Director or Officer did not act in good faith in the reasonable belief that such action was in the best interests of the Association or that he had reasonable grounds for belief that such action was unlawful.

(b) By or in the right of the Association to procure a judgment in its favor by reason of his being or having been a Director or Officer of the Association, or by reason of his being or having been a Director, Officer, employee or agent of any other corporation, partnership, joint venture, trust or other enterprise which he served at the request of the Association, against the reasonable expenses, including attorneys' fees, actually and necessarily incurred by him in connection with the defense or settlement of such action, or in connection with an appeal therein, if such person acted in good faith in the reasonable belief that such action was in the best interests of the Association. Such person shall not be entitled to indemnification in relation to matters as to which such person has been adjudged to have been guilty of negligence or misconduct in the performance of his duty to the Association unless and only to the extent that the court, administrative agency, or investigative body before which such action, suit or proceeding is held shall determine upon application that, despite the adjudication of liability but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnification for such expenses which such tribunal shall deem proper.

Section 2. The Board of Directors shall determine whether amounts for which a Director or Officer seeks indemnification were properly incurred and whether such Director or Officer acted in good faith and in a manner he reasonably believed to be in the best interests of the Association, and whether, with respect to any criminal action or proceeding, he had no reasonable ground for belief that such action was unlawful. Such determination shall be made by the Board of Directors by a majority vote of a quorum consisting of Directors who were not parties to such action, suit or proceeding.

Section 3. The foregoing rights of indemnification shall not be deemed to limit in any way the powers of the Association to indemnify under applicable law.

ARTICLE XV - TRANSACTIONS IN WHICH DIRECTORS OR OFFICERS ARE INTERESTED

Section 1. With the exception of Directors and Officers appointed by the Class B Members, any financial or familial interest of an Officer or Director in any contract or transaction between the Association and one (1) or more of its Directors or Officers, or between the Association and any other corporation, partnership, association or other organization in which one (1) or more of its Directors or Officers are directors or officers, or have a financial interest, shall be disclosed, and further shall not be voidable solely for this reason, or solely because the Director or Officer is present at or participates in the meeting of the Board or committee thereof which authorized the contract or transaction or solely because his or their votes are counted for such purpose. No Director or Officer of the Association shall incur liability by reason of the fact that he is or may be interested in any such contract or transaction.

Section 2. Interested Directors may be counted in determining the presence of a quorum at a meeting of the Board of Directors or of a committee which authorized the contract or transaction but must abstain from voting on the issue.

ARTICLE XVI - DISSOLUTION

The Association may be dissolved if three-fourths (3/4) of the votes cast at a duly held meeting of the Members of the Association vote in favor of dissolution, if permitted by the Declaration. Upon dissolution of the Association, other than incident to a merger or consolidation, the assets of the Association shall be dedicated to an appropriate public agency to be used for purposes similar to those for which this Association was created. In the event that such dedication is refused acceptance, such assets shall be granted, conveyed and assigned to any nonprofit corporation, association, trust or other organization to be devoted to such similar purposes.

The annual Members’ meeting shall be held on the date, at the place and at the time determined by the Board from time to time, provided that there shall be an annual meeting every calendar year. To the extent possible, the annual meeting shall be held during October, November or December and no later than thirteen (13) months after the last preceding annual meeting. The purpose of the meeting shall be, except as provided herein to the contrary, to elect Directors and to transact any other business authorized to be transacted by the Members, or as stated in the notice of the meeting sent to Members in advance thereof.
 - 3.2 Special Meeting. Special Members’ meetings shall be held at such places as provided herein for annual meetings, and may be called by the President or by a majority of the Board. A special meeting must be called by the President or Secretary upon receipt of a written request from a majority of the Members of the Association. The business conducted at a special meeting shall be limited to the purposes stated in the notice of the meeting.

- 3.3 Notice of Meeting; Waiver of Notice. Notice of a meeting of Members stating the time and place and the purpose(s) for which the meeting is called shall be given by the President or Secretary. A copy of the notice shall be posted at a conspicuous place within the Property. The notice of the annual meeting shall be hand delivered or sent by mail to each Owner, unless the Owner waives in writing the right to receive notice of the annual meeting by signing a waiver of notice, in person or by proxy, either before or after the meeting. The delivery or mailing shall be to the address of the Member as it appears on the roster of Members described in Section 10 hereof. The posting and mailing of the notice shall be effected not less than fourteen (14) days, nor more than sixty (60) days, prior to the date of the meeting. Proof of posting or hand delivery may be given by affidavit, and proof of mailing of the notice may be given by retention of post office receipts, or by affidavit. Notice of an annual meeting need not include a description of the purpose or purposes for which the meeting is called. Notice of a special meeting must include a description of the purpose or purposes for which the meeting is called.

Notice of Member annual or special meetings may be waived before or after the meeting. The attendance of any Member (or person authorized to vote for such member) shall constitute such Member's waiver of notice of such meeting, except when his (or his authorized representative's) attendance is for the express purpose of objecting at the beginning of the meeting to the transaction of business because the meeting is not lawfully called.

- 3.4 Quorum. A quorum at Members' meetings shall be attained by the presence, either in person or by proxy, of persons entitled to cast thirty percent (30%) of the votes of Members, unless a higher number is specifically provided elsewhere in the Declaration, the Articles or these Bylaws. If voting rights of any Member are suspended pursuant to the provisions of the Declaration or these Bylaws, the vote(s) of such Member shall not be counted for the purpose of determining the presence of a quorum and the total number of authorized votes shall be reduced accordingly during the period of such suspension.

3.5 Voting.

- (a) Classes of Voting Membership. The Association shall have two (2) classes of Members, each with voting rights as follows:

Class A. Class A Members shall be all Owners, including Declarant after the expiration of the Class B Membership. Class A Members shall be entitled to one (1) vote for each Lot they own.

Class B. The Class B Member shall be Declarant. The Class B Member shall be entitled to three (3) votes for each vote Class A Members are entitled to cast at any time, thus giving the Class B Member a three-fourths (3/4ths) majority of votes in the Association. The Class B Membership shall cease upon the first to occur of the following, unless

otherwise provided by applicable law:

- (i) three (3) months after ninety percent (90%) of the Lots in the Property that will ultimately be operated by the Association have been conveyed to Members; or
- (ii) termination of the Class B Membership by resignation of all Declarant-appointed directors and delivery to the Secretary of the Association of a certificate in recordable form, signed by Declarant and stating that Declarant elects to terminate the Class B Membership. Upon termination of the Class B Membership, Declarant shall retain any voting rights it may have as a Class A Member. Upon expiration of the Class B membership, the Declarant shall become a Class A Member for each Lot it still owns; or
- (iii) as otherwise required by applicable law.

Notwithstanding the foregoing, Declarant shall be entitled to appoint at least one (1) member of the Board of Directors of the Association as long as Declarant holds for sale in the ordinary course of business at least five percent (5%) of the Lots within the Property. After Declarant relinquishes control of the Association, Declarant may exercise the right to vote any Declarant owned voting interest in the same manner as any other Member, except for purposes of reacquiring control of the Association or selecting the majority of the Members of the Board of Directors.

- (b) Majority Vote. The acts approved by a majority of the votes present in person or by proxy at a meeting at which a quorum shall have been attained shall be binding upon all Members for all purposes except where otherwise provided by law, the Declaration, the Articles or these Bylaws. As used in these Bylaws, the Articles or the Declaration, the terms "majority of the Members" and "majority of the Members" shall mean a majority of the votes of Members and not a majority of the Members themselves and shall further mean more than 50% of the then total authorized votes present in person or by proxy and voting at any meeting of the Members at which a quorum shall have been attained. Similarly, if some greater percentage of Members is required herein or in the Declaration or Articles, it shall mean such greater percentage of the votes of Members and not of the Members themselves.
- (c) Voting Owner. If a Lot is owned by one person, his right to vote shall be established by the roster of Members. If a Lot is owned by more than one person, the person entitled to cast the vote for the Lot shall be designated by a certificate signed by all of the record Owners of the Lot according to the roster of Owners and filed with the Secretary of the Association. Such person need not be a Lot Owner, nor one of the joint owners. Those certificates shall be valid until revoked or until superseded by a subsequent certificate or until a change in the ownership of the Lot

concerned. A certificate designating the person entitled to cast the vote for a Lot may be revoked by any record owner of an undivided interest in the Lot. If a certificate designating the person entitled to cast the vote for a Lot is not on file or has been revoked, the vote of the Member(s) of such Lot shall not be considered in determining whether a quorum is present, nor for any other purpose, and the total number of authorized votes in the Association shall be reduced accordingly until such certificate is filed, except if the Lot is owned jointly by a husband and wife. If a Lot is owned jointly by a husband and wife, they may, without being required to do so, designate a voting Member in the manner provided above. Such designee need not be an Owner. In the event a husband and wife do not designate a voting member, the following provisions shall apply:

- (i) If both are present at a meeting and are unable to concur in their decision upon any subject requiring a vote, they shall lose their right to vote on that subject at that meeting, and their vote shall not be considered in determining whether a quorum is present on that subject at the meeting (and the total number of authorized votes in the Association shall be reduced accordingly for such subject only).
 - (ii) If only one is present at a meeting, the person present shall be counted for purposes of a quorum and may cast the Lot vote just as though he or she owned the Lot individually, and without establishing the concurrence of the absent person.
 - (iii) If both are present at a meeting and concur, either one may cast the vote.
- (d) Corporation. If a Lot is owned by a corporation or other entity, the Chairman of the Board, President, Vice President, Secretary, or Treasurer of the Corporation holding such Membership in the Association, and any like officer of a foreign corporation whether for profit or not for profit, holding a Membership in the Association, shall be deemed by the Association to have the authority to vote on behalf of the Corporation and to execute proxies and written waivers and consents in relation thereto, unless before a vote is taken on a waiver of consent is acted upon it is made to appear by certified copy of the Bylaws or Resolution of the Board of Directors or executive committee of the Corporation that such authority does not exist or is vested in some other officer or person. In absence of such certification, the person executing any such proxies, waivers or consents or presenting himself at a meeting as one of such officers of a Corporation shall be for the purposes of this Section conclusively deemed to be duly elected, qualified and acting as such officer and be fully authorized. In the case of conflicting representation, the corporate Member shall be deemed to be represented by its Senior Officer, in the order first stated in this subsection.

- 3.6 Proxies. A proxy may be made by any person entitled to vote, but shall only be valid for the specific meeting for which originally given and any lawfully adjourned and reconvened meetings thereof. In no event shall any proxy be valid for a period longer than 90 days after the date of the first meeting for which it was given. Every proxy shall be revocable at any time at the pleasure of the person executing it. A proxy must be dated, must state the date, time, and place of the meeting for which it was given, and signed by the person authorized to cast the vote for the Lot (as above described) and filed with the Secretary before the appointed time of the meeting, or before the time to which the meeting is adjourned. Holders of proxies need not be Owners. If the proxy form expressly so provided, any proxy holder may appoint, in writing, a substitute to act in his place.
- 3.7 Adjourned Meetings. Adjournment of an Annual or Special meeting to a different date, time, or place must be announced at the meeting before an adjournment is taken, or notice must be given of the new date, time, or place pursuant to the notice provision of the Bylaws. If a new record date for the adjourned meeting is or must be fixed, notice of the adjourned meeting must be given to persons who are entitled to vote and are Members as of the new record date but were not Members as of the previous record date. If any proposed meeting cannot be organized because a quorum has not been attained, the Members who are present, either in person or by proxy, may adjourn the meeting from time to time until a quorum is present, provided notice of the newly scheduled meeting is given in the manner required for the giving of notice of a meeting. Except as provided by law, proxies given for the adjourned meeting shall be valid for the newly scheduled meeting unless revoked for reasons other than the new date of the meeting.
- 3.8 Order of Business. If a quorum has been attained, the order of business at annual Members' meetings, and, if applicable, at other Members' meetings, shall be:
- (a) Call to order by President;
 - (b) Appointment by the President of a chairman of the meeting (who need not be a Member or a Director);
 - (c) Proof of notice of the meeting or waiver of notice;
 - (d) Reading of minutes;
 - (e) Reports of officers;
 - (f) Reports of committees;
 - (g) Appointment of inspectors of election;
 - (h) Determination of number of Directors;
 - (i) Election of Directors;

- (j) Unfinished business;
- (k) New business;
- (l) Adjournment.

Such order may be waived in whole or in part by direction of the chairman.

- 3.9 Minutes of Meeting. Minutes of all meetings of the Members of the Association must be maintained in written form or in another form that can be converted into written form within a reasonable time. The minutes of all meetings of Members shall be kept in a book available for inspection by Members or their authorized representatives or board members at any reasonable time. The Association shall retain these minutes for a period of not less than seven years.
- 3.10 Delinquent Members. If any Assessment or portion thereof imposed against a Member remains unpaid for ninety (90) days following its due date, such Member's voting rights in the Association shall be automatically suspended until all past due Assessments and other sums then due are paid, whereupon the voting rights shall be automatically reinstated. Delinquent Members shall not be eligible to serve on the Board of Directors.
- 3.11 Action Without A Meeting. Anything to the contrary herein notwithstanding, to the extent lawful, any action herein required to be taken at any annual or special meeting of Members, or any action which may be taken at any annual or special meeting of such Members, may be taken without a meeting, without prior notice and without a vote if a consent in writing, setting forth the action so taken shall be signed by the Members (or persons authorized to cast the vote of any such Member as elsewhere herein set forth) having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting of such Members at which a quorum of such Members (or authorized persons) entitled to vote thereon were present and voted.

Written consent shall not be effective to take the Association action referred to in the consent unless the consent is signed by the Members having the requisite number of votes necessary to authorize the action within sixty (60) days of the date of the earliest dated consent and is delivered in the manner required by this Section.

Any written consent may be revoked prior to the date that the Association receives the required number of consents to authorize the proposed action. A revocation is not effective unless in writing and until received by the Association, or received by the Secretary or other officer or agent of the Association.

A consent signed under this Section has the effect of a meeting vote and may be described as such in any document. Whenever action is taken pursuant to this Section, the written consent of the Members consenting to such action or the

written reports of inspectors appointed to tabulate such consents must be filed with the minutes of proceedings of the Members.

Within ten (10) days after obtaining such authorization by written consent, notice must be given to Members who have not consented in writing. The notice shall fairly summarize the material features of the authorized action.

- 3.12 Recording. Any Member may tape record or videotape meetings of the Membership. The Board of Directors of the Association may adopt reasonable rules governing the taping of meetings of the Membership.

4. Directors

- 4.1 Membership. The affairs of the Association shall be managed and governed by a Board of Directors (the “**Board**”) of not less than three (3) prior to the Declarant’s turnover of control of the Association to Members other than Declarant; of not less than three (3) after the Declarant’s turnover of such control; and in no event more than five (5) “Directors”, the exact number initially to be as set forth in the Articles, and thereafter, except as provided herein, to be determined from time to time upon majority vote of the membership.
- 4.2 Election of Directors. The election of Directors shall be conducted in accordance with Chapter 720.306, Florida Statutes, and the following manner:
- (a) Election of Directors shall be held at the annual Members’ meeting, except as provided herein to the contrary.
 - (b) Nominations for Directors shall be made in advance of the meeting and no nominations from the floor shall be accepted if ballots are accepted in advance of the meeting.
 - (c) The election shall be by written ballot (unless dispensed with by majority consent of the Owners represented at the meeting) and decided by a plurality of the votes cast for each candidate.
 - (d) All Members of the Association shall be eligible to serve on the Board of Directors unless otherwise provided by Florida law, and a Member may nominate himself as a candidate for the Board.
- 4.3 Vacancies and Removal.
- (a) Except as to vacancies resulting from removal of Directors by Members, vacancies on the Board occurring between annual meetings of Members shall be filled by majority action of the remaining Director(s), provided that all vacancies in directorships to which Directors were appointed by the Declarant pursuant to the provisions of Section 4.17 hereof shall be filled by the Declarant without the necessity of any meeting.

- (b) Any Director elected by the Members may be removed from office with or without cause by the vote or agreement by a majority of all votes of the Membership. The vacancy in the Board so created shall be filled by the Members at the same meeting or at a meeting of the Membership shortly thereafter. The conveyance of all Lots owned by a Director in the Community who owned one or more Lots at the time he was elected or appointed (other than appointees of the Declarant) shall constitute the resignation of such Director.
- (c) Until a majority of the Directors are elected by the Members other than the Declarant, no Directors named by the Declarant shall be subject to removal by Members other than the Declarant. Directors appointed by the Declarant and Directors replacing them may be removed and replaced by the Declarant without the necessity of any meeting.
- (d) If a vacancy on the Board of Directors results in there being no incumbent Directors, any Member may apply to the Circuit Court within whose jurisdiction the Property lies for the appointment of a receiver to manage the affairs of the Association. At least thirty (30) days prior to applying to the Circuit Court, the Member shall mail to the Association and post in a conspicuous place in the Property a notice describing the intended action and giving the Association an opportunity to fill the vacancy(ies) in accordance with these Bylaws. If, during such time, the Association fails to fill the vacancy(ies), the Member may proceed with the petition. If a receiver is appointed, the Association shall be responsible for the salary of the receiver, court costs and attorneys' fees. The receiver shall have all powers and duties of a duly constituted Board and shall serve until the Association fills the vacancy(ies) on the Board sufficient to constitute a quorum in accordance with these Bylaws.

4.4 Term. Except as provided herein to the contrary, the term of each Director's service shall extend until the annual meeting of the Members two years from the date of such Director's election and subsequently until his successor is duly elected and qualified as provided for in the Articles of Incorporation, or until he is removed in the manner elsewhere provided.

4.5 Organizational Meeting. The organizational meeting of newly-elected or appointed members of the Board shall be held within ten (10) days of their election or appointment at such place and time as shall be fixed by the Directors at the meeting at which they were elected or appointed, and no further notice to or by the Board of the organizational meeting shall be necessary.

- (a) All meetings of the Board must be open to all Members except for meetings between the Board and its attorney with respect to proposed or pending litigation where the contents of the discussion would otherwise be governed by attorney client privilege. Notices of all Board meetings must be posted in a conspicuous place in the Property at least 48 hours in

advance of a meeting, except in an emergency. In the alternative, if notice is not posted in a conspicuous place in the Property, notice of each Board meeting must be mailed or delivered to each Member at least seven (7) days before the meeting, except in an emergency. An assessment may not be levied at a Board meeting unless the notice of the meeting includes a statement that assessments will be considered and the nature of the assessments. Directors may not vote by proxy or by secret ballot at Board meetings, except that secret ballots may be used in the election of officers. This subsection also applies to the meetings of any committees or other similar body, including anybody vested with the powers to approve or disapprove architectural decisions with respect to a specific parcel of residential property owned by a Member.

- 4.6 Regular Meetings. Regular meetings of the Board may be held at such time and place as shall be determined, from time to time, by a majority of the Directors. Notice of regular meetings shall be given to each Director, personally or by mail, telephone or telegraph, and shall be transmitted at least three (3) days prior to the meeting. Regular meetings of the Board shall be open to all Members and notice of such meetings shall be posted conspicuously in the Community at least forty-eight (48) hours in advance for the attention of the Members of the Association, except in the event of an emergency. Members shall not be permitted to participate, and need not be recognized at any such meeting.
- 4.7 Special Meetings. Special meetings of the Directors may be called by the President, and must be called by the President or Secretary at the written request of two-thirds (2/3rds) of the Directors. Notice of the meeting shall be given personally by mail, telephone or telegraph to each Director, which notice shall state the time, place and purpose of the meeting, and shall be transmitted not less than three (3) days prior to the meeting. Special meetings of the Board shall be open to all Members and notice of a special meeting shall be posted conspicuously in the Property at least forty-eight (48) hours in advance for the attention of the Members of the Association, except in the event of an emergency. Members shall not be permitted to participate, and need not be recognized, at any such meeting.
- 4.8 Waiver of Notice. Any Director may waive notice of a meeting before or after the meeting and that waiver shall be deemed equivalent to the due receipt by said Director of notice. Attendance by any Director at a meeting shall constitute a waiver of notice of such meeting, except when his attendance is for the express purpose of objecting at the beginning of the meeting to the transaction of business because the meeting is not lawfully called.
- 4.9 Quorum. A quorum at Directors' meetings shall consist of a majority of the then incumbent Directors. The acts approved by a majority of those present at a meeting at which a quorum is present shall constitute the acts of the Board, except when approval by a greater number of Directors is specifically required by the Declaration, the Articles or these Bylaws.

- 4.10 Adjourned Meetings. If, at any proposed meeting of the Board, there is less than a quorum present, the majority of those present may adjourn the meeting from time to time until a quorum is present, provided notice of such newly scheduled meeting is given as required hereunder. At any newly scheduled meeting, any business that might have been transacted at the meeting as originally called may be transacted without further notice.
- 4.11 Presiding Officer. The presiding officer at the Directors' meetings shall be the President (who may, however, designate any other person to preside).
- 4.12 Order of Business. If a quorum has been attained, the order of business at Directors' meetings shall be:
- (a) Proof of due notice of meeting;
 - (b) Reading and disposal of any unapproved minutes;
 - (c) Reports of officers and committees;
 - (d) Election of officers;
 - (e) Unfinished business;
 - (f) New business;
 - (g) Adjournment.
- Such order may be waived in whole or in part by direction of the presiding officer.
- 4.13 Minutes of Meetings. Minutes of all meetings of the Board of Directors must be maintained in written form or in another form that can be converted into written form within a reasonable time. A vote or abstention from voting on each matter voted upon for each Director present at the Board meeting must be recorded in the minutes. The minutes of all meetings of the Board of Directors shall be kept in a book available for inspection by Members or their authorized representative or board member at any reasonable time. The Association shall retain these minutes for a period of not less than seven (7) years.
- 4.14 Recording. Any Member may tape record or videotape meetings of the Board of Directors. The Board of Directors of the Association may adopt reasonable rules governing the taping of meetings of the Board of Directors.
- 4.15 Committees. The Board of Directors by resolution adopted by a majority of the full Board of Directors, may designate from among its members an executive committee and one or more other committees each of which, to the extent provided in such resolution or in the Articles of Incorporation or the Bylaws, shall have and may exercise all of the authority of the Board of Directors, except that

no such committee shall have the authority to:

- (a) Approve or recommend to members actions or proposals required by this act to be approved by members;
- (b) Fill vacancies on the Board of Directors or any committee thereof; or
- (c) Adopt, amend, or repeal the Bylaws.

The provisions of the Bylaws governing meetings, notice and waiver of notice, quorum and voting requirements of the Board of Directors shall apply to all committees and their members as well.

Each committee must have two or more members who serve at the pleasure of the Board of Directors. The Board, by resolution adopted, may designate one or more director(s) as alternative members of any such committee who may act in the place instead of any absent member at any meeting of such committee.

Neither the designation of any such committee, and delegation thereto of authority, nor action by such committee pursuant to such authority shall alone constitute compliance by any member of the Board of Directors not a member of the committee in question with his responsibility to act in good faith, in a manner he reasonably believes to be in the best interest of the Association, and with such care as an ordinary prudent person in a like position would use under similar circumstances.

4.16 Architectural Review Committee. As provided in the Declaration, the Board of Directors shall create an Architectural Review Committee (“ARC”), composed of not less than three (3) nor more than five (5) persons appointed by the Board, or, in the Board’s discretion, the Board from time to time may constitute itself as the ARC. To the extent not inconsistent with the Declaration, the provisions of Section 4.15 shall apply to the ARC.

4.17 Declarant Control of Board; Turnover. So long as there shall be a Class B Membership as set forth in the Declaration, vesting voting control of the Association in the Declarant, the Declarant shall have the right to appoint and replace all Directors and Officers.

Declarant shall be entitled to appoint at least one (1) member of the Board of Directors of the Association as long as Declarant holds for sale in the ordinary course of business at least five percent (5%) of the Lots within the Property. After Declarant relinquishes control of the Association, Declarant may exercise the right to vote any Declarant owned voting interest in the same manner as any other Member, except for purposes of reacquiring control of the Association or selecting the majority of the Members of the Board of Directors.

The Declarant shall turn over control of the Association to Members other than

the Declarant upon termination of the Class B Membership, as set forth in Section 3.5 above, by causing all of its appointed Directors to resign, whereupon it shall be the affirmative obligation of Members other than the Declarant to elect Directors and assume control of the Association. Provided at least thirty (30) days' notice of Declarant's decision to cause its appointees to resign is given to Members, neither the Declarant, nor such appointees, shall be liable in any manner in connection with such resignations even if the Members other than the Declarant refuse or fail to assume control. Control of the Association shall be deemed "turned over" upon (i) termination of the Class B Membership and (ii) resignation of all Declarant appointed Directors. Upon such turnover the Declarant shall retain all voting rights incident to its ownership of Lots.

Within a reasonable time after control of the Association is turned over to Members other than the Declarant, (but not more than ninety (90) days after such event) the Declarant shall deliver to the Association all property of the Members and of the Association held by or controlled by the Declarant, including, but not limited to, the following items, if applicable:

- (a) The original or a photocopy of the recorded Declaration, and all amendments thereto. If a photocopy is provided, the Declarant must certify by affidavit that it is a complete copy of the actual recorded Declaration;
- (b) A certified copy of the Articles of Incorporation for the Association;
- (c) A copy of the Bylaws of the Association;
- (d) The Minute Books, including all minutes, and other books and records of the Association;
- (e) Any rules and regulations which have been adopted;
- (f) Resignations of resigning officers and Board members who were appointed by the Declarant;
- (g) The financial records, including financial statements of the Association, and source documents since the incorporation of the Association to the date of turnover. The records may be reviewed, at the Association's expense, by an independent certified public accountant;
- (h) Association funds or the control thereof;
- (i) All tangible personal property that is the property of the Association, and an inventory of such property;
- (j) Insurance policies;
- (k) Copies of any Certificates of Completion which may have been issued for

the Common Areas;

- (l) Any other permits issued by governmental bodies applicable to the Common Areas in force or issued within one (1) year prior to the date the Members take control of the Association;
- (m) All written warranties of contractors, subcontractors, suppliers and manufacturers, if any, that are still effective with respect to the Common Areas;
- (n) A roster of Members and their addresses and telephone numbers, if known, as shown on the Association's records;
- (o) Leases to which the Association is a party, if applicable;
- (p) Employment contracts or service contracts in which the Association is one of the contracting parties, or service contracts in which the Association or Members have an obligation or responsibility, directly or indirectly, to pay some or all of the fee or charge of the person or persons performing the service; and,
- (q) All other contracts to which the Association is a party.
- (r) All deeds to the Common Areas owned by the Association.
- (s) A list of the names, addresses and telephone numbers of all contractors, subcontractors and others in the employ of the Association at the time the control of the Association is turned over to Members other than Declarant.

4.18 Official Records. The Association shall maintain each of the following items, when applicable, which constitute the Official Records of the Association:

- (a) Copies of any plans, specifications, permits, and warranties related to improvements constructed on the Common Areas or other property that the Association is obligated to maintain, repair, or replace, if any;
- (b) A copy of the Bylaws of the Association and of each Amendment to the Bylaws;
- (c) A copy of the Articles of Incorporation of the Association and of each Amendment thereto;
- (d) A copy of the Declaration of Covenants and a copy of each Amendment thereto;
- (e) A copy of the current Rules of the Association;
- (f) The minutes of all meetings of the Board of Directors and of the Members,

which minutes must be retained for at least seven (7) years;

- (g) A current roster of all Members and their mailing addresses and parcel identification;
- (h) All of the Association's insurance policies or a copy thereof, which policies must be retained for at least seven (7) years;
- (i) A current copy of all contracts to which the Association is a party, including, without limitation, any management agreement, lease, or other contract under which the Association has an obligation or responsibility. Bids received by the Association for work to be performed must also be considered Official Records and must be kept for a period of one (1) year;
- (j) The financial and accounting records of the Association, kept according to good accounting practices. All financial and accounting records must be maintained for a period of at least seven (7) years. The financial and accounting records must include:
 - (i) Accurate, itemized, and detailed records of all records and expenditures.
 - (ii) A current account and a periodic statement of the account for each Member, designating the name and current address of each Member who is obligated to pay assessments, the due date and the amount of each assessment or other charge against the Member, the date and amount of each payment on the account, and the balance due.
 - (iii) All tax returns, financial statements, and financial reports of the Association.
 - (iv) Any other records that identify, measure, record, or communicate financial information.

4.19 Inspection and Copying of Records. The Official Records shall be maintained within the State in accordance with Chapter 720, Florida Statutes, and must be open to inspection and available for photocopying by Members or their authorized agents at reasonable times and places within ten (10) business days after receipt of a written request for access. This subsection may be complied with by having a copy of the Official Records available for inspection or copying in the Property.

- (a) The failure of the Association to provide access to the records within ten (10) business days after receipt of a written request creates a rebuttable presumption that the Association willfully failed to comply with this subsection.
- (b) A Member who is denied access to the Official Records is entitled to the

actual damages or minimum damages for the Association's willful failure to comply with this subsection. The minimum damages are to be \$50.00 per calendar day up to ten (10) days, the calculation to begin on the eleventh (11th) business day after receipt of the written request.

- (c) The Association may adopt reasonable written rules governing the frequency, time, location, notice, and manner of inspections, and may impose fees to cover the costs of providing copies of the Official Records, including, without limitation, the costs of copying so long as such costs are in accordance with the provisions of Chapter 720. The Association shall maintain an adequate number of copies of the recorded governing documents, to insure their availability to Members, and prospective members and may charge only its actual costs for reproducing and furnishing these documents to those persons who are entitled to receive them.

5. Powers and Duties. The Board shall have the powers and duties necessary for the management and administration of the affairs of the Association and may take all acts, through the proper officers of the Association, in executing such powers, except such acts which by law, the Declaration, the Articles or these Bylaws may not be delegated to the Board by the Members. Such powers and duties of the Board shall include, without limitation (except as limited elsewhere herein), the following:

- (a) Operating and maintaining the Common Areas and other property owned by the Association.
- (b) Determining the expenses required for the operation of the Association.
- (c) Collecting the Assessments for Common Expenses of the Association from all Owners.
- (d) Employing and dismissing the personnel necessary for the maintenance and operation of the Common Areas and other property owned by the Association.
- (e) Adopting and amending rules and regulations concerning the details of the operation and use of the Property and any Association Property, subject to a right of the Members to overrule the Board as provided in **Section 13** hereof.
- (f) Maintaining bank accounts on behalf of the Association and designating the signatories required therefor.
- (g) Purchasing, leasing or otherwise acquiring Lots or other property in the name of the Association, or its designee.
- (h) Purchasing Lots at foreclosure or other judicial sales, in the name of the Association, or its designee.

- (i) Selling, leasing, mortgaging or otherwise dealing with Lots acquired by the Association.
- (j) Settling or compromising claims of or against the Association in which all Members have a common interest.
- (k) Obtaining and reviewing insurance for the Common Areas and other property owned by the Association.
- (l) Making repairs, additions and improvements to, or alterations of, the Common Areas in accordance with the provisions of the Declaration after damage or destruction by fire or other casualty, or as a result of condemnation or eminent domain proceedings or otherwise.
- (m) Enforcing obligations of the Members, allocating profits and expenses and taking such other actions as shall be deemed necessary and proper for the sound management of the Property.
- (n) Levying fines against appropriate Members for violations of the Declaration or rules and regulations established by the Association to govern the conduct of such Members.
- (o) Borrowing money on behalf of the Association when required in connection with the operation, care, upkeep and maintenance of the Common Areas or the acquisition of property, and granting mortgages on and/or security interests in Association owned property; provided, however, that the consent of the holders of at least two-thirds (2/3rds) of the votes of the Membership represented at a meeting of Members at which a quorum has been attained in accordance with the provisions of these Bylaws shall be required. If any sum borrowed by the Board on behalf of the Association pursuant to the authority contained in this subsection (o) is not repaid by the Association, any Member who pays to the creditor such portion thereof as his interest in the property owned by the Association bears, to the interest of all the Members in the property owned by the Association, shall be entitled to obtain from the creditor a release of any judgment or other lien which said creditor shall have filed or shall have the right to file against, or which will affect, such Member's Lot. The Association shall take no action authorized in this subsection without the prior written consent of the Declarant as long as the Declarant owns any Lots.
- (p) Contracting for the management and maintenance of the Common Areas or other property owned by the Association and authorizing a management agent (who may be an affiliate of the Declarant) to assist the Association in carrying out its powers and duties by performing such functions as the submission of proposals, collection of Assessments, preparation of records, enforcement of rules and maintenance, repair and replacement of

the Common Areas or other Association property with funds as shall be made available by the Association for such purposes. The Association and its officers shall, however, retain at all times the powers and duties granted by the Declaration, including, but not limited to, the making of Assessments, promulgation of rules and execution of contracts on behalf of the Association.

- (q) At its discretion, authorizing Members or other persons to use portions of the Common Areas or other property owned by the Association for private parties and gatherings and imposing reasonable charges for such private use.
- (r) Exercising (i) all powers specifically set forth in the Declaration, the Articles, and these Bylaws, and (ii) all powers incidental thereto, and all other powers of a Florida corporation not for profit.
- (s) Imposing a lawful fee in connection with the approval of the transfer, lease, or sale of Lots, not to exceed the maximum amount permitted by law in any one case.
- (t) Contracting with and creating special taxing districts.
- (u) Adopt and appoint executive committees.
- (v) Conducting ongoing reporting for all governmental and or regulatory permits issued to the Declarant for construction and improvement of the "BRIARWOOD " Subdivision that require ongoing reporting and enforcing such permits until such time that all governmental or regulatory agency requirements have been satisfied. It is expressly understood that this obligation and any costs associated with carrying out this obligation shall be borne by the Association.

Anything herein to the contrary notwithstanding, no general funds of the Association shall be utilized for bringing, supporting, investigating, or otherwise abetting any legal action, claim or extra-judicial action except for (i) imposition, enforcement and collection of assessments, including lien rights, (ii) collecting of debts owned to the Association, (iii) bringing any contest or appeal of tax assessments relating to any property owned by the Association, (iv) actions brought by the Association to enforce the provisions of the Declaration, and (v) counterclaims brought by the Association in proceedings instituted against it, unless such legal action, claim or extra-judicial action shall be specifically approved for such purposes by seventy-five percent (75%) of the vote of the Members of the Association.

6. Officers.

- 6.1 Executive Officers. The executive officers of the Association shall be a President,

Vice-President, a Treasurer and a Secretary , all of whom shall be elected by the Board and who may be peremptorily removed at any meeting at which a quorum of Directors is attained by concurrence of a majority of all of the present Directors. The President and Vice- President shall be Directors. A person may hold more than one office, except that the President may not also be the Secretary. No person shall sign an instrument or perform an act in the capacity of more than one office. The Board from time to time shall elect such other officers and designate their powers and duties as the Board shall deem necessary or appropriate to manage the affairs of the Association. Officers need not be Members.

- 6.2 President. The President shall be the chief executive officer of the Association. He shall have all of the powers and duties that are usually vested in the office of president of an association.
- 6.3 Vice-President. The Vice-President shall exercise the powers and perform the duties of the President in the absence or disability of the President. He also shall assist the President and exercise such other powers and perform such other duties as are incident to the office of the vice president of an association and as shall otherwise be prescribed by the Directors.
- 6.4 Secretary. The Secretary shall keep the minutes of all proceedings of the Directors and the Members. He shall attend to the giving of all notices to the Members and Directors and other notices required by law. He shall have custody of the seal of the Association and shall affix it to instruments requiring the seal when duly signed. He shall keep the records of the Association, except those of the Treasurer, and shall perform all other duties incident to the office of the secretary of an association and as may be required by the Directors or the President.
- 6.5 Treasurer. The Treasurer shall have custody of all property of the Association, including funds, securities and evidences of indebtedness. He shall keep books of account for the Association in accordance with good accounting practices, which, together with substantiating papers, shall be made available to the Board of Directors at reasonable intervals and shall perform all other duties incident to the office of treasurer. All monies and other valuable effects shall be kept for the benefit of the Association in such depositories as may be designated by a majority of the Board.
- 6.6 Declarant Appointees. No officer appointed by the Declarant may be removed except as provided in Section 4.17 hereof and by law.
7. Compensation. Neither Directors nor officers shall receive compensation for their services as such, but may be compensated for services performed outside the scope of their service as officers or Directors.
8. Resignations. Any Director or officer may resign his post at any time by written

resignation, delivered to the President or Secretary, which shall take effect upon its receipt unless a later date is specified in the resignation, in which event the resignation shall be effective from such later date unless withdrawn. The acceptance of a resignation shall not be required to make it effective. The conveyance of all Lots owned by any Director or officer (other than appointees of the Declarant or other Directors or officers who are not Owners when elected or appointed) shall constitute a written resignation of such Director or officer.

9. Fiscal Management. The provisions for fiscal management of the Association set forth in the Declaration and Articles shall be supplemented by the following provisions:

9.1 Budget.

(a) Adoption By Board; Items. The Board shall from time to time, and at least annually, prepare a budget for the Common Expenses, determine the amount of Assessments payable by the Members to meet the expenses of the Association, and allocate and assess such expenses among the Members, in accordance with the provisions of the Declaration. Notwithstanding the foregoing, prior to the termination of the Class B Membership, an increase in the Common Expenses and the Annual Assessment shall require the approval of the Builder(s), which approval shall not be unreasonably withheld.

The budgets must reflect the estimated revenues and expenses for the year and the estimated surplus or deficit as of the end of the current year including all fees and charges for exterior maintenance, landscaping, upkeep and insurance, if applicable, of Common Areas and structures thereon. In addition to the annual operating expenses, and to the extent applicable, the budgets may include reserve accounts for capital expenditures and deferred maintenance. Reserves, however, may be waived in accordance with the Declaration and applicable Florida law. In the event of such waiver, the budget need not reflect or include reserve accounts for capital expenditures and deferred maintenance; provided, however the budget shall contain a disclosure stating reserves have been properly waived.

The adoption of the budgets for the Association by the Board shall comply with the requirements hereinafter set forth. A copy of the proposed budget shall be available for inspection by or mailed to each Member not less than fourteen (14) days prior to the meeting of the Board at which the budget will be considered, together with a notice of that meeting indicating the time and place of such meeting. The Board shall have the power to adopt the budget at the duly noticed meeting by a majority vote.

(b) Adoption by Membership. In the event that the Board shall be unable to adopt a budget in accordance with the requirements of Subsection 9.1(a) above, the Board may call a special meeting of Members for the purpose of considering and adopting such budget, which meeting shall be called and held in the manner provided for such special meetings in said subsection. Alternatively, the Board may propose a budget in writing to all Members of the Association or a specified

sub-group of Members, where applicable. If either such budget is adopted by a majority of the votes of Members to which the budget applies, present at such meeting, or receiving such written budget, upon ratification by a majority of the Board, it shall become the budget for such year.

- 9.2 Depository. The depository of the Association shall be such bank(s) or savings and loan association(s) in the State of Florida as shall be designated from time to time by the Directors and in which the monies of the Association shall be deposited. Withdrawal of monies from those accounts shall be made only by checks signed by such person or persons as are authorized by the Directors. All sums collected by the Association from Assessments or contributions to working capital or otherwise may be commingled in a single fund or divided into more than one fund, as determined by the Board.
- 9.3 Acceleration of Assessment Installments upon Default. If a Member shall be in default in the payment of an installment upon an Assessment for more than thirty (30) days, the Board or its agent may accelerate the remaining installments of the Annual Assessment upon written notice to such Member, and the then unpaid balance of the Assessment shall be due upon the date stated in the notice, but not less than five (5) days after delivery of the notice or ten (10) days after mailing of the notice, whichever shall first occur.
- 9.4 Fidelity Bonds. Fidelity bonds may be required by the Board for all persons handling or responsible for Association funds in such amount as shall be determined by a majority of the Board, but no less than \$10,000 for each such person so bonded, if any. The premiums on such bonds shall be paid by the Association as a Common Expense.
- 9.5 Accounting Records and Reports. The Association shall maintain accounting records in the State of Florida, according to accounting practices normally used by similar associations or the manager under any applicable management contract. The records shall be open to inspection by Members or their authorized representatives at reasonable times and written summaries of them shall be supplied at least annually. The records shall include, but not be limited to, (a) a record of all receipts and expenditures, and (b) an account for each Lot designating the name and current mailing address of the Member, the amount of each Assessment, the dates and amounts in which the Assessments come due, the amount paid upon the account and the dates so paid, and the balance due.

Within ninety (90) days following the end of the fiscal year, the Association shall prepare or contract with a third party to prepare and complete a financial report for the previous twelve (12) months. Within 21 days after the final financial report is completed by the association or received from the third party, but not later than 120 days after the end of the fiscal year, the Association shall provide each Member with a copy of the annual financial report or a written notice that a copy of the annual financial report is available upon request at no charge to the Member. The financial report shall be prepared in accordance with Chapter 720,

Florida Statutes, and may consist of either financial statements presented in conformity with general accepted accounting principals or a financial report of actual receipts and expenditures, cash basis, which report must show the amounts of receipts by accounts and receipt classifications and may show the amounts of expenses by accounts and expense classifications, including, if applicable, but not limited to, the following:

- (a) Cost for security;
- (b) Professional and management fees and expenses;
- (c) Taxes;
- (d) Cost for Common Areas;
- (e) Expenses for refuse collection and utility services;

10. Roster of Owners. The Association shall maintain current information regarding the title holders of all Owners. Such information shall be obtained by requiring each Member to file with the Association a copy of the deed or other document showing his ownership. The Association may rely upon the accuracy of any such information for all purposes until notified in writing of changes therein.

Only Members of record on the date notice of any meeting requiring their vote is given shall be entitled to notice of and to vote at such meeting, unless prior to such meeting other Members shall produce adequate evidence, as provided above, of their interest and shall waive in writing notice of such meeting.

The proposed amendment shall be adopted upon receiving the affirmative vote of at least a majority of the Members present in person or by proxy at the meeting (at which a quorum is attained).
 - 12.4 Any number of amendments may be submitted to the Members and voted upon by them at any one meeting.
 - 12.5 If all of the Directors and all of the Members eligible to vote sign a written statement manifesting their intention that an amendment to these Bylaws be adopted, then the amendment shall thereby be adopted as though the above requirements had been satisfied.
 - 12.6 No amendment shall make any changes in the qualifications for membership nor in the voting rights of Members without approval by all of the Members and the joinder of all Institutional Mortgagees holding Institutional Mortgages upon the Lot(s). No amendment shall be made that is in conflict with the Declaration or the Articles. Prior to the closing of the sale of all Lots within the Community, no amendment shall make any changes which would in any way affect any of the rights, privileges, powers or options herein provided in favor of, or reserved to, the Declarant, unless the Declarant shall join in the execution of the amendment, including, but not limited to, any right of the Declarant to appoint Directors pursuant to these Bylaws.

- 12.7 No amendment to these Bylaws shall be made which discriminates against any Member(s), or affects less than all of the Members within the Community, without the written approval of all of the Members so discriminated against or affected.
- 12.8 Upon the approval of an amendment to these Bylaws, the certificate of amendment shall be executed and a copy shall be recorded in the public records of the County.
- 12.9 Notwithstanding the foregoing, the Federal Housing Administration and the Veterans Administration shall have the right to veto any amendments to these Bylaws as long as there is a Class B membership if such amendments require the review and approval of either agency in accordance with applicable regulations and if such agencies are providing financing to Homes in the Community.
- 12.10 Notwithstanding the foregoing, the Declarant shall have the right to unilaterally amended these Bylaws without the consent of any Owner or mortgagee for so long as the Declarant appoints a majority of the Board of Directors.
13. Rules and Regulations. The Board may, from time to time, adopt, modify, amend or add to rules and regulations concerning the use and operation of the Community, except that subsequent to the date control of the Board is turned over by the Declarant to Members other than the Declarant, Members of a majority of the Lots represented at a meeting at which a quorum is present may overrule the Board with respect to the adoption or modification of any rules and regulations. Copies of such rules and regulations shall be furnished by the Board to each affected Member not less than thirty (30) days prior to the effective date thereof. At no time may any rule or regulation be adopted which would prejudice the rights reserved to the Declarant.
14. Construction. Wherever the context so permits, the singular shall include the plural, the plural shall include the singular, and the use of any gender shall be deemed to include all genders. If any portion hereof shall be found by competent judicial authority to be unenforceable, then only that portion shall be deemed deleted and the remainder shall be given its nearest permissible meaning and effect.
15. Captions. The captions herein are inserted only as a matter of convenience and for reference, and in no way define or limit the scope of these Bylaws or the intent of any provision hereof.
16. Conflict. In the event there should be found any irreconcilable conflict among or between the Declaration, the Articles and/or these Bylaws and in the absence of any express language indicating which document controls the particular subject matter, then the provisions of the Declaration shall be paramount, the Articles next paramount and these Bylaws subordinate.
17. Indemnification of Officers and Directors. Subject to the further provisions of this Section, the Association shall indemnify and hold harmless all officers and Directors,

(and members of a Committee or Tribunal, as provided in **Section 18.3** hereof) past or incumbent, from and against all costs, claims, damages, expenses and liabilities of any kind whatsoever, including attorneys' fees and costs at all tribunal levels, arising out of the performance of such person's duties hereunder. Such indemnification and hold harmless provision shall (i) exist regardless of whether the Association itself is named as a party defendant or alleged to have any liability, (ii) include the payment of any settlements upon approval by the Board, and (iii) include indemnification of the estate and heirs of the indemnified party. Such indemnification and hold harmless provision shall not be applicable (i) to the extent the claim or liability is covered by insurance, or (ii) in the event a court of competent jurisdiction finally determines, after all appeals have been exhausted or not timely pursued, that the indemnified party did not act in good faith within what he reasonably believed to be the scope of his duty and/or authority and for purposes which he reasonably believed to be in the best interests of the Association or its Members generally and such court further specifically determines that indemnification should be denied. The provision of this Section may not be amended to terminate the effect hereof as to any persons who became officers or Directors while this Section was effective.

18. Suspension of Privileges; Fines. In the event of an alleged violation of the Declaration, the Articles, these Bylaws or the rules and regulations adopted hereunder, and after written notice of such alleged failure is given to the Member in the manner herein provided, the Board shall have the right, after the alleged violator has been given an opportunity for an appropriate hearing and upon an affirmative vote of the Board, to suspend or condition said Member's and his family's, guests' and tenants' right to the use of the Common Areas (except for the portions thereof which are necessary as a means of ingress and egress) and to fine such Member. Any such suspension shall be for a period of not more than thirty (30) days for any noncontinuing infraction, but in the case of a continuing infraction (including nonpayment of any Assessment after the same becomes delinquent) the suspension may be imposed for so long as the violation continues. No fine shall exceed the sum of \$100.00 per violation. Repair or replacement costs shall not be deemed fines subject to the foregoing limitation. Any continuing violation shall be a separate violation for each day it continues. The failure of the Board to enforce the rules and regulations, these Bylaws, the Articles or the Declaration shall not constitute a waiver of the right to enforce the same thereafter. The remedies set forth above and otherwise provided by these Bylaws or by law shall be cumulative and none shall be exclusive. However, any individual must exhaust all available internal remedies of the Association prescribed by these Bylaws, or by any rules and regulations adopted by the Association, before that Member may resort to a court of law for relief from any provision of the Declaration, the Articles, these Bylaws or the rules and regulations. The rights of the Association to suspend voting rights, to impose interest charges, accelerate Assessment payments, or to otherwise enforce the payment of Assessments, as elsewhere provided in the Declaration and these Bylaws, shall not be subject to the provisions of this Section or require the notice and hearing provided for herein.

- 18.1 Written Complaint. A hearing to determine whether a right or privilege of a Member or any of his family or tenants ("Respondent") under the Declaration or these Bylaws should be suspended or conditioned or a fine imposed shall be

initiated by the filing of a written Complaint by any Member or by any officer or Director with the President or Secretary of the Association. The Complaint shall constitute a written statement of charges which shall set forth in ordinary and concise language the acts or omissions with which the Respondent is charged, to the end that the Respondent will be able to prepare his defense. The Complaint shall specify the specific provisions of the Declaration, the Articles, these Bylaws or the rules and regulations which the Respondent is alleged to have violated, but shall not consist merely of charges phrased in the language of such provisions without supporting facts.

- 18.2 Discovery. After initiation of a proceeding in which the Respondent is entitled to a hearing, the Respondent and the individual filing the Complaint, upon written request made to the other party, prior to the hearing and within fifteen (15) days after service by the Board of Directors of the Complaint or within ten (10) days after service of any amended or supplemental Complaint, is entitled to (1) obtain the names and addresses of witnesses to the extent known to the other party, and (2) inspect and make a copy of any statements, writings and investigative reports relevant to the subject matter of the hearing. Nothing in this Section, however, shall authorize the inspection or copying of any writing or thing which is privileged from disclosure by law or otherwise made confidential or protected as work product.
- 18.3 Tribunal. The Board shall appoint a Tribunal of at least three Members where applicable upon receipt of a written Complaint. No member of the Tribunal shall be a Director, Officers or employee of the Association, nor shall any member of the Tribunal be involved in any prior investigation of the matter on behalf of the Board nor related by blood or marriage to either the complaining party or the Respondent. In appointing the members of the Tribunal, the Board should make a good faith effort to avoid appointing any Members who are witnesses to the alleged violation giving rise to the Complaint or otherwise biased. The decision of the Board shall be final, except that the Respondent may challenge any member of the Tribunal for cause, where a fair and impartial hearing cannot be afforded, at any time prior to the taking of evidence of the hearing. In the event of such a challenge, the Board shall meet to determine the sufficiency of the challenge, without the President voting. If such challenge is sustained, the President shall appoint another Member to replace the challenged member of the Tribunal. All decisions of the Board in this regard shall be final. The Tribunal shall elect a Chairman. The Tribunal shall exercise all other powers relating to the conduct of the hearing. If the Tribunal, by majority vote does not approve a proposed fine or suspension, it may not be imposed.
- 18.4 Notice of Hearing. The Tribunal shall serve a notice of hearing, as provided herein, on all parties at least fourteen (14) days prior to the hearing.
- 18.5 Hearing.
 - (a) Whenever the Tribunal has commenced to hear the matter and a member

of the Tribunal is forced to withdraw prior to a final determination by the Tribunal, the remaining members shall continue to hear and decide the case. Oral evidence shall be taken only on oath or affirmation administered by an officer of the Association. The use of affidavits and written interrogatories in lieu of oral testimony shall be encouraged by the Tribunal.

- (b) Each party shall have the right to be represented by counsel; to call and examine witnesses; to introduce exhibits; to cross-examine opposing witnesses on any matter relevant to the issues even though that matter was not covered in the direct examination; to impeach any witness regardless of which party first called him to testify; and to rebut the evidence against him. If the Respondent does not testify in his own behalf, he may be called and examined as if under cross-examination.
- (c) The hearing need not be conducted according to technical rules relating to evidence and witnesses. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rule which might make improper the admission of such evidence over objection in civil actions. Hearsay evidence may be used for the purpose of supplementing or explaining other evidence but shall not be sufficient in itself to support a finding, unless it would be admissible over objection in civil actions. The rules of privilege shall be effective to the extent that they are otherwise required by statute to be recognized at the hearing, and irrelevant and unduly repetitious evidence shall be excluded.
- (d) Neither the accusing Member nor the allegedly defaulting Member must be in attendance at the hearing. The hearing shall be open to attendance by all Members where applicable. In rendering a decision, official notice may be taken at any time of any generally accepted matter within the Declaration, the Articles, these Bylaws, the rules and regulations or the workings of the Association.

- 18.6 Decision. The Tribunal will prepare written findings of fact and recommendations for consideration by the Board of Directors. The Tribunal shall make its determination only in accordance with the evidence presented to it and in accordance with these Bylaws. After all testimony and documentary evidence has been presented to the Tribunal, the Tribunal shall vote by secret written ballot upon the matter, with a majority of the entire Tribunal controlling. A copy of the findings and recommendations of the Tribunal shall be served by the President on each party in the matter and his attorney, if any. Disciplinary action and fines under the Declaration, these Bylaws or the rules and regulations shall be imposed only by the Board, and based upon the findings and recommendations of the Tribunal. The Board may adopt the recommendations of the Tribunal in their entirety, or the Board may reduce the proposed penalty and adopt the balance of

the recommendations. In no event shall the Board impose more stringent disciplinary action than recommended by the Tribunal. The decision of the Board shall be in writing and shall be served in the same manner as the findings and recommendations of the Tribunal. The decision of the Board shall become effective ten (10) days after it is served upon the Respondent, unless otherwise ordered in writing by the Board. The Board may order reconsideration at any time within fifteen (15) days following service of its decision on the parties on its own motion or upon petition by a party.

- 18.7 Suspension of Privileges for Failure to Pay Assessments. The Association may, without notice of a hearing, or an opportunity for a hearing, impose a suspension upon any Member because of the failure of the Member to pay assessments or other charges when due. However, in no event shall a suspension of common area use rights impair the right of an Owner or tenant of a Lot to have vehicular and/or pedestrian ingress to and egress from the Lot, including, but not limited to the right to park.

The foregoing was adopted as the Bylaws of BRIARWOOD HOMEOWNERS ASSOCIATION OF ALACHUA, INC., a corporation not for profit under the laws of the State of Florida, at its first meeting of the Board of Directors on the 10th day of November, 2019 20.

Compliance with Other Permitting Programs:

This permit does not eliminate the necessity to obtain any required federal, state, local and special district authorizations prior to the start of any construction, alteration, operation, maintenance, removal or abandonment authorized by this permit.

The Suwannee River Water Management District did not issue a National Pollutant Discharge Elimination System (NPDES) permit for this project. If this project meets the thresholds such that a NPDES permit is required, you must apply to the Florida Department of Environmental Protection directly. More information about NPDES permits may be found online at

Water for Nature. Water for People.

<https://floridadep.gov/water/stormwater>. **Failure to obtain a NPDES permit prior to construction could subject you to enforcement action by that agency.**

For projects which involve wetlands or surface waters, the Suwannee River Water Management District did not issue a federal authorization for use or impacts to wetlands under federal jurisdiction, this project. Therefore, you must apply directly to the US Army Corps of Engineers (USACE). More information about USACE permitting may be found online at <https://www.saj.usace.army.mil/>. **Failure to obtain USACE authorization prior to construction could subject you to federal enforcement action by that agency.**

Transferring Your Permit:

Your permit requires you to notify the District in writing within 30 days of any change in ownership or control of the project or activity covered by the permit, or within 30 days of any change in ownership or control of the real property on which the permitted project or activity is located or occurs. You will need to provide the District with the information specified in rule 62-330.340, Florida Administrative Code (F.A.C.). Generally, this will require you to complete and submit Form 62-330.340(1), "Request to Transfer Permit".

Please note that a permittee is liable for compliance with the permit before the permit is transferred. The District, therefore, recommends that you request a permit transfer in advance in accordance with the applicable rules. You are encouraged to contact District staff for assistance with this process.

Thank you and please let us know if you have additional questions. For general questions contact us at (386) 362-1001.

Sincerely,

Hugh Thomas

12. The permittee shall notify the District in writing:

The permittee or other designee shall contact the Florida Department of State, Division of Historical Resources, Compliance and Review Section, at (850) 245-6333 or (800) 847-7278, as well as the appropriate permitting agency office. Such subsurface work shall not resume without verbal or written authorization from the Division of Historical Resources. If unmarked human remains are encountered, all work shall stop immediately and notification shall be provided in accordance with Section 872.05, F.S.
15. Any delineation of the extent of a wetland or other surface water submitted as part of the permit application, including plans or other supporting documentation, shall not be considered binding unless a specific condition of this permit or a formal determination under Rule 62-330.201, F.A.C., provides otherwise.
16. The permittee shall provide routine maintenance of all components of the stormwater management system to remove trapped sediments and debris. Removed materials

- shall be disposed of in a landfill or other uplands in a manner that does not require a permit under Chapter 62-330, F.A.C., or cause violations of state water quality standards.
17. This permit is issued based on the applicant's submitted information that reasonably demonstrates that adverse water resource-related impacts will not be caused by the completed permit activity. If any adverse impacts result, the District will require the permittee to eliminate the cause, obtain any necessary permit modification, and take any necessary corrective actions to resolve the adverse impacts.
 18. A Recorded Notice of Environmental Resource Permit may be recorded in the county public records in accordance with Rule 62-330.090(7), F.A.C. Such notice is not an encumbrance upon the property.
 19. Operation and maintenance of the surface water management system shall be the responsibility of the permittee until such time as those responsibilities are transferred to the approved association. Prior to the association assuming operation and maintenance responsibilities, permittee shall request transfer to operation and maintenance entity.
 20. Prior to a dedication or transfer of all or any part of the common properties which is directly or indirectly related to the surface water management system, the dedication or approval of the transfer must be authorized by the District through modification of any and all permits or authorizations issued by the District. Such modifications shall be made under the lawfully adopted rules of the District in effect at the time of application for modification.
 21. Permittee shall submit to the District within 30 days of issuance of permit, proof that the Articles of Incorporation have been filed with the Secretary of State and that the corporation is in good standing.
 22. Permittee shall submit to the District within 30 days of issuance of permit, proof that all surface water management systems are located on the common areas and that the common areas are owned or controlled by the homeowner's association.
 23. Prior to the sale of any lot or parcel, the permittee must record Declarations of Covenants and Restrictions which include a restriction on the real property pursuant to section 704.06, F.S.; prohibiting all construction including clearing, dredging, or filling, except that which is specifically authorized by Environmental Resource permit, within the conservation areas delineated on the final plans and/or mitigation proposal approved by the District.
 24. Prior to the Permittee seeking to transfer the operation and maintenance to a Homeowner's Association, the Permittee must demonstrate to the reasonable satisfaction of the Suwannee River Water Management District that over twenty-four (24) consecutive months have passed since the active operation of the Homeowner's Association commenced and the Permittee shall demonstrate to the Suwannee River Water Management District's satisfaction that the Homeowner's Association is an active, ongoing concern which the Permittee shall establish by

submitting copies of all minutes of meetings of members of the Association, the board of directors, copies of all operation and maintenance expenses incurred and documentation showing that all assessments that were levied have been collected and such other documentation as the Suwannee River Water Management District may reasonably deem necessary to establish that the Homeowner's Association is an active, functioning and ongoing concern.

25. The permittee shall include the finished floor elevations for the lots and the wetland delineation lines on the final subdivision plat and shall submit a copy of the final, approved plat to the District following recordation.
26. This permit does not authorize the permittee to cause any adverse impact to or "take" of state listed species and other regulated species of fish and wildlife. Compliance with state laws regulating the take of fish and wildlife is the responsibility of the owner or applicant associated with this project. Please refer to Chapter 68A-27 of the Florida Administrative Code for definitions of "take" and a list of fish and wildlife species. If listed species are observed onsite, FWC staff are available to provide decision support information or assist in obtaining the appropriate FWC permits. Most marine endangered and threatened species are statutorily protected and a "take" permit cannot be issued. NOTICE OF RIGHTS

1. A person whose substantial interests are or may be determined has the right to request an administrative hearing by filing a written petition with the Suwannee River Water Management District (District), or may choose to pursue mediation as an alternative remedy under Section 120.569 and 120.573, Florida Statutes, (F.S.), before the deadline for filing a petition. Choosing mediation will not adversely affect the right to a hearing if mediation does not result in a settlement. The procedures for pursuing mediation are set forth in Sections 120.569 and 120.57 F.S. Pursuant to Rule 28-106.111, Florida Administrative Code, (F.A.C.), the petition must be filed at the office of the District Clerk at District Headquarters, 9225 C.R. 49, Live Oak, Florida 32060 within twenty-one (21) days of receipt of written notice of the decision or within twenty-one (21) days of newspaper publication of the notice of District decision (for those persons to whom the District does not mail actual notice). A petition must comply with Chapter 28-106, F.A.C.
2. If the Governing Board takes action which substantially differs from the notice of District decision to grant or deny the permit application, a person whose substantial interests are or may be determined has the right to request an administrative hearing or may choose to pursue mediation as an alternative remedy as described above. Pursuant to Rule 28-106.111, F.A.C., the petition must be filed at the office of the District Clerk at District Headquarters, 9225 C.R. 49, Live Oak, Florida 32060 within twenty-one (21) days of receipt of written notice of the decision or within twenty-one (21) days of newspaper publication of the notice of District decision (for those persons to whom the District does not mail actual notice). Such a petition must comply with Chapter 28-106, F.A.C.
3. A substantially interested person has the right to a formal administrative hearing pursuant to Section 120.569 and 120.57(1), F.S., where there is a dispute between the District and the party regarding an issue of material fact. A petition for formal hearing must comply with the requirements set forth in Rule 28-106.201, F.A.C.
4. A substantially interested person has the right to an informal hearing pursuant to Section 120.569 and 120.57(2), F.S., where no material facts are in dispute. A petition for an informal hearing must comply with the requirements set forth in Rule 28-106.301, F.A.C.
5. A petition for an administrative hearing is deemed filed upon receipt of the petition by the Office of the District Clerk at the District Headquarters in Live Oak, Florida.
6. Failure to file a petition for an administrative hearing within the requisite time frame shall constitute a waiver of the right to an administrative hearing pursuant to Rule 28-106.111, F.A.C.
7. The right to an administrative hearing and the relevant procedures to be followed is governed by Chapter 120, Florida Statutes, and Chapter 28-106, F.A.C.
8. Pursuant to Section 120.68, F.S., a person who is adversely affected by final District action may seek review of the action in the District Court of Appeal by filing a notice of appeal pursuant to the Florida Rules of Appellate Procedure, within 30 days of the rendering of the final District action.
9. A party to the proceeding before the District who claims that a District order is inconsistent with the provisions and purposes of Chapter 373, F.S., may seek review of the order pursuant to Section 373.114, F.S., by the Florida Land and Water Adjudicatory Commission, by filing a

request for review with the Commission and serving a copy of the Department of Environmental Protection and any person named in the order within 20 days of adoption of a rule or the rendering of the District order.

10. For appeals to the District Courts of Appeal, a District action is considered rendered after it is signed on behalf of the District, and is filed by the District Clerk.

11. Failure to observe the relevant time frames for filing a petition for judicial review, or for Commission review, will result in waiver of the right to review.

NOTICING INFORMATION

Dear Permittee:

Please be advised that the Suwannee River Water Management District (District) has not published a notice in the newspaper advising the public that it has issued a permit for this project.

Newspaper publication, using the District's form, notifies members of the public of their right to challenge the issuance of the permit. If proper notice is given by newspaper publication, then there is a 21-day time limit to file a petition challenging the issuance of the permit.

To close the point of entry for filing a petition, you may publish (at your own expense) a onetime notice of the District's decision in a newspaper of general circulation within the affected area as defined in Section 50.011 of the Florida Statutes. If you do not publish a newspaper notice, the time to challenge the issuance of your permit will not expire.

A copy of the notice and a partial list of newspapers of general circulation are attached for your convenience. However, you are not limited to those listed newspapers. If you choose to close the point of entry and the notice is published, the newspaper will return to you an affidavit as proof of publication. In accordance with 40B-1.1010(4), F.A.C., a copy of the affidavit shall be provided to the District within 14 days of publication. A scanned copy of the affidavit may be forwarded to Tilda Musgrove by email at tjm@srwmd.org (preferred method) or send the original affidavit of publication to:

A person whose substantial interests are or may be affected has the right to request an administrative hearing by filing a written petition with the Suwannee River Water Management District (District). Pursuant to Chapter 28-106 and Rule 40BB-1.1010, Florida Administrative Code (F.A.C.), the petition must be filed (received) either by delivery at the office of the Resource Management Business Resource Specialist at District Headquarters, 9225 CR 49, Live Oak FL 32060 or by e-mail to tjm@srwmd.org, within twenty-one (21) days of newspaper publication of the notice of intended District decision (for those persons to whom the District does not mail or email actual notice). A petition must comply with Sections 120.54(5)(b)4. and 120.569(2)(c), Florida Statutes (F.S.), and Chapter 28106, F.A.C. The District will not accept a petition sent by facsimile (fax). Mediation pursuant to Section 120.573, F.S., is not available.

A petition for an administrative hearing is deemed filed upon receipt of the complete petition by the District Clerk at the District Headquarters in Live Oak, FL during the District's regular business hours. The District's regular business hours are 8 a.m. – 5 p.m., excluding weekends and District holidays. Petitions received by the District Clerk after the District's regular business hours shall be deemed filed as of 8 a.m. on the next regular District business day.

The right to an administrative hearing and the relevant procedures to be followed are governed by Chapter 120, Florida Statutes, Chapter 28-106, Florida Administrative Code, and Rule 40B-1.1010, Florida Administrative Code. Because the administrative hearing process is designed to formulate final agency action, the filing of a petition means the District's final action may be different from the position taken by it in this notice. **Failure to file a petition for an administrative hearing within the requisite time frame shall constitute a waiver of the right to an administrative hearing. (Rule 28-106.111, F.A.C.).**

If you wish to do so, you may request the Notice of Rights for this permit by contacting the Business Resource Specialist in the Division of Resource Management (RM), 9225 CR 49, Live Oak, FL 32060, or by phone at 386.362.1001.
