Utility Service Co., Inc. agrees to provide all labor, equipment, and materials needed to complete the following:

Exterior Renovation/Containment

1. All exterior surfaces shall be abrasive blast cleaned to a "Commercial" finish, removing all existing paint, rust, dirt, mill scale, and foreign matter by the recommended methods outlined in the Society for Protective Coatings Specification, SSPC-SP No.6. The commercial additive Blastox shall be added to the blast media.
2. After abrasive cleaning, all surfaces shall be cleaned of any dust residue or foreign debris.
3. A containment system shall be utilized to meet the emission control requirements of a Class 3 System, as specified in SSPC-Guide 6 (CON), Guide for Containing Debris Generated During Paint Removal Operations, dated December 1, 1997.
4. An onsite dust collector shall be utilized during all abrasive blasting operations. Said dust collector shall be at a minimum of 40,000 CFM of capacity.

Please sign and date this proposal and fax one copy to our office.

City of Alachua, FL-Turkey Creek Tank

Terms & Conditions:

Use of Company's Equipment: If any machinery, equipment, tools, or similar items, including but not limited to Pressure Relief Valves, Variable Frequency Drives ("VFD"), Hydro Pneumatic Pressure Tanks that are owned, leased, or under the control of the Company, (hereinafter called "equipment?") are used by the Owner or the Owner's employees or agents during the Project, then the Owner agrees to be bound by the following:

- 1) Owner agrees to accept all responsibility to insure the proper use of the equipment is in accordance with current laws and regulations.
- 2) Owner agrees that Company is not a licensed operator for the Owner's water system. Owner agrees that Company shall provide a referral to a professional engineer if additional support is required.
- 3) Owner agrees that it is solely responsible for instructing their employees and agents in the proper use according to all applicable safety standards.
- 4) Owner agrees to be responsible for violations, penalties and fines of any applicable safety laws or regulations imposed by any governing authorities, pertaining to the equipment, which are caused by the actions or inaction of any of their employees or agents. Owner further agrees to pay for any penalties or fines levied against Company that are the result of the Owner's noncompliance with any regulations pertaining to their use of the equipment, Owner agrees to indemnify, defend and hold harmless Company and any owner/lessor (if equipment is leased) and their agents and employees from and against all claims, damages, losses, and expenses, including but not limited to attorney's fees, arising out of or resulting from the Owners use of equipment, or use by owner's employees or agents.
