UNIT PRICE SCHEDULE

Work that is beyond that specified in the CONTRACT DOCUMENTS

During the construction period the Bidder may be required to perform Work that is beyond that specified in the Contract Documents. The following Unit Price Schedule is provided by the Bidder for these Work items. The Bidder agrees that the amounts in the Unit Price Schedule represent the true measure of the labor, materials, and services required to furnish and install the items, including all overhead and profit. The Bidder understands that the unit prices are independent of the exact quantities involved. The Bidder acknowledges that the final payment will be based on the actual quantities provided and the Unit Price.
