CITY OF ALACHUA CDBG FIRST PUBLIC HEARING NOTICE

The City of Alachua is considering applying to the Florida Department of Economic Opportunity for a FFY 2018 Small Cities Community Development Block Grant (CDBG) application and if not funded a FFY 2019 Small Cities Community Development Block Grant (CDBG) application. The City is eligible to apply for up to \$700,000 in the neighborhood revitalization, commercial revitalization and housing rehabilitation categories and up to \$1.5 million in the economic development category. Construction activities funded through the CDBG Program must meet one of the following National Objectives:

1. Provide benefit to low- and moderate-income persons;
2. Prevent or eliminate slum or blight conditions; or
3. Meet a need of recent origin having a particular urgency.

The types of activities that CDBG funds may be used for include constructing stormwater ponds, paving roads and sidewalks, installing sewer and water lines, building a community center or park, making improvements to a sewage treatment plant, and rehabilitating low-income homes. Additional information regarding the range of activities that could be funded will be provided at the public hearing. In developing a CDBG application, the City of Alachua must plan to minimize displacement of persons as a result of the activities. In addition, the City of Alachua is required to develop a plan to assist displaced persons.

A public hearing to obtain citizen comment concerning the City's economic and community development needs will be held Monday, March 25, 2019, during a Regular City Commission meeting which will begin at 6:00 PM in the James A. Lewis Commission Chambers, City Hall, 15100 NW 142nd Terrace, Alachua, Florida. For information concerning the public hearing, contact the City Manager's office at (386) 418-6104 (TDD# (800) 955-8771).

The public hearing is being conducted in a handicapped accessible location. Pursuant to the provisions of the Americans with Disabilities Act, any person requiring special accommodations to participate in the hearing is asked to advise the City at least five days before the hearing by contacting Alan Henderson, Deputy City Clerk, at (386) 418-6104. If you are hearing or speech impaired, please contact the City using the Florida Relay Service, 1(800) 955-8771 (TTY) or 1(800) 955-8770 (Voice).

Any non-English speaking person wishing to attend the public hearing should contact Alan Henderson, Deputy City Clerk, at (386) 418-6104, at least five days prior to the hearing and an interpreter will be provided.
